Questions submitted by potential offerors and answers from the State:

Question 1: With regards to Amendment 4 issued November 14, 2023 Question 24: *“If a contractor currently cohabitates space with DOC, will State allow services resulting from this RFP to be completed in same space?”* The answer is confusing and seems to contradict Section 3.17 of the RFP:

Can you please clarify why the answer does not fall in line with the RFP requirements?

Answer: *Sec 3.17 applies to this RFP. Please disregard the prior answer to Question 24 on Amendment #4. Contractor is responsible for providing its own work location/s.*
