Subject: **Petro 49, Inc. Kodiak Bulk Plant Oil Discharge Prevention and Contingency Plan, ADEC Plan #: 23-CP-2108; Public Comment Period for Additional Information**

Dear Mr. Simmerman:

The Alaska Department of Environmental Conservation (department) received a response to its request for additional information (RAI) regarding the Petro 49, Inc. Kodiak Bulk Plant Oil Discharge Prevention and Contingency Plan (plan) on November 22, 2023. In accordance with 18 AAC 75.455(d), there is a 10-day public comment period for the additional information received. This comment period is limited to the additional information submitted in response to the department's RAI.

The review schedule is designated as follows:

Start of comment period:	December 1, 2023
End of comment period; public comments and RAIs due by 5:00 pm:	December 11, 2023

The department will make a determination as to whether the application package is complete and notify Petro 49, Inc. within seven working days of the end of comment period. However, if the department determines that additional information is still needed, the department will send another RAI.

If you have any questions, please contact me at 907-269-7684 or james.merrill@alaska.gov.

Sincerely,
