Questions submitted by potential offerors and answers from the state:

Question 1: Do client letters of reference count toward the 7-page limit of Submittal Form B – Experience and Qualifications?

Answer: 1. In the RFP Section 4.04 paragraph three states “Offerors must also provide reference names and phone numbers for similar projects the offeror’s firm has completed.”

The Evaluation questions have been changed to read “Has the offeror provided reference names and phone numbers for similar projects the offeror’s firm has completed?” The RFP is no longer asking for letters of reference. The RFP is only asking the names and phone numbers for similar projects the firm has completed. This information must be provided in the 7 page limit of Submittal Form B.
