Requesting Input on a Proposed Relinquishment of State Entitlement Lands

Comment Period Ends 4:00 PM, January 30, 2024

The Department of Natural Resources (DNR) is proposing to relinquish the State's entitlement land selection of surface and subsurface estates for the lands listed below. A location map is available on page 3 of this notice. The lands are not currently owned by the State, they are under federal management and ownership. The purpose of relinquishment is to facilitate University of Alaska land selections under the Consolidate Appropriations Act for Fiscal Year 2023 and the University of Alaska Fiscal Foundation Act.

Lands to be relinquished:

T. 1 N., R. 2 W., F.M.
Sec. 30, Lots 1-12

Containing approximately 316.65 acres.

As authorized by the Consolidated Appropriations Act for Fiscal Year 2023 and the University of Alaska Fiscal Foundation Act, the Bureau of Land Management may convey up to 360,000 acres of land to the University of Alaska. The land available for conveyance is land that has been selected by the State of Alaska pursuant to section 6(b) of the Alaska Statehood Act. If the State and the University jointly identify the land to be conveyed to the University, the State may conditionally relinquish its selection, and the Bureau of Land Management will convey the land to the University. The University of Alaska has selected the land identified above and requests the State to consider relinquishment of its selection interests.

Alaska Statute (AS) 38.05.035 allows for disposals of interests in state lands, and AS 38.05.945 provides procedures for notice of those disposals.
