### Questions:

1. During the non-operating months Oct through March does the machine need to stay in Alaska, Mob and Demob annually or one time in/one time out.  
*This is up to the contractor, it does not need to stay in AK during the off season.  
A revised cost schedule will be issued on Tuesday with further clarification on the contract term and associated Mob/Demob line item.*

All other terms and conditions remain unchanged.

If there are any questions regarding this addendum please let me know.

Thank you,

*Greg C Goemer*
