Addendum 1

ITB #23-62-211309

Seward Coal Dock –Loading Equipment Demolition

Addendum number 1 has been issued to reschedule the Pre-bid Site Visit.

The Closing Date for this ITB has not changed.

Bids will be received until February 29, 2024 @ 3:00 PM Alaska time.

Change:

Pre-Bid Site Visit: A Pre-Proposal Site visit will held on Wednesday January 17, 2024 at 1:00pm local time at the Dale Lindsey Railroad Facility, 913 Port Avenue, Seward, AK.

Interested firms are encouraged to attend. It is recommended that prospective Contractors visit the site and become familiar with the site conditions prior to bidding the work, so as to make their own assessment of what means and methods will be necessary to complete the work. A bidder's failure to attend the pre-bid conference will in no way relieve the bidder of the responsibility of performing the work in compliance with the intent and meaning of the terms, conditions and specifications of this ITB. PPE is required (to include safety-toe shoes, hi-vis vests & hard-hats).

All other terms and conditions remain unchanged.

If there are any questions regarding this addendum please let me know.

Thank you,

Greg C Goemer
