

MEMORANDUM

DATE: December 14, 2023
TO: Governing Body
FROM: API Medical Executive Committee
SUBJECT: Medical Staff Privileging

We are pleased to report that we have completed the Alaska Psychiatric Institute's Medical Staff appointment and privileging process, for the following medical professionals:

In accordance with API's Medical Staff Bylaws, the Medical Executive Committee has considered the following professionals and found them to be in order: **Vanessa A. Urban, MD** has/have met the qualifications for re-appointment/appointment and privileging. Dr. Urban will be assisting with patient coverage. The following information was used in the credentialing process, coupled with the Medical Executive Committee review:

1. Completed application and privilege request form.
2. American Medical Association (AMA), OIG, and National Practitioner Data Bank (NPDB) reports, as relevant.
3. Verification of current state licenses, DEA status (if relevant), health attestations, peer references, etc. as applicable.
4. Information regarding voluntary or involuntary surrender of licenses, memberships, privileges, etc.

On the basis of the information that we have received, and the recommendation of Dr. Robert Long, Medical Director, pending final review by Dr. Anne Zink, Chief Medical Officer of the State of Alaska, the Medical Executive Committee presents the aforementioned professional(s) who have/has met the criteria for the Medical Staff privileging, at the Alaska Psychiatric Institute, based on the API Medical Staff Bylaws, for the following privileges:

- **Vanessa A. Urban, MD:**
Appointment Category: Associate; Privileges: Core Psychiatric Privileges, with Attending and Coverage Privileges

Thank you for your consideration.
