Changes to the IRFP:

Change 1: Deadline for submission of proposals has been extended to January 16, 2024, by 4:30 p.m. AKST.

Questions submitted by potential offerors and answers from the state:

Question 1: We noticed the RFP for fur trapper hats which specified “otter or beaver”, and we wanted to clarify if sea otter specifically would be an acceptable product to use in the hats.

Answer: The State would accept any of the following furs: river otter, sea otter, or beaver.

Question 2: In Section 3 under Must Feature, it says the hats need “polyester/cotton blend skull cap and ear covers”, does that mean that a leather hat exterior is not allowed?

Answer: The state will accept black leather material for the skull cap and ear cover exterior.
