The following questions are here presented and answered:

Question 1. [Our potential subcontractors do not] have Alaska Business licenses but since they will not be providing “on the ground” services in Alaska will appreciate your confirming my understanding, that this will be acceptable?

Answer 1. Yes. Reference RFP 2024-160000092/1623-068, Section 3.08 Subcontractors, “Note that if the subcontractor will not be performing work within Alaska, they will not be required to hold an Alaska business license.”

Question 2. Proposals Examples – If there is any way possible for you to share examples of past proposals that would be greatly appreciated so we can better ensure the submission of a proper proposal.

Answer 2. The State does not provide past proposals as examples. Reference RFP 2024-160000092/1623-068 Amendment Four, Question 3, “[T]he RFP provides all the information required for submission, as well as all required forms.”
