Department of Natural Resources
Division of Support Services

RFP 2024-1000-0176 AS NEEDED LIDAR DATA QUALITY ASSURANCE AND CONTROL SERVICES

ADDENDUM 2

ISSUED FEBRUARY 2, 2024

This addendum is being issued to change the deadline for receipt of proposals date and make changes to the RFP.

Important Note to Offerors: You are NOT required to sign and return this page of the addendum document with your proposal. Only the RFP terms and conditions referenced in this addendum are being changed. All other terms and conditions of the RFP remain the same. This Addendum is hereby made part of the RFP and is a total of two pages.

DATE

RFP CLOSING DATE

The Deadline for Receipt of Proposals date is changing from January 29, 2024, at 2:00 PM to **February 06, 2024, at 2:00 PM** Alaska Time. All dates in SEC. 1.12 RFP SCHEDULE will adjust accordingly.

CHANGES TO THE RFP

CHANGE 1: Section 1.01 Purpose of the RFP is being deleted in its entirety:

~~The Department of Natural Resources (DNR), Division of Geological & Geophysical Surveys, is soliciting proposals for a qualified contractor to provide Light Detection and Ranging (LIDAR) data quality assurance and control services. Up to three contracts may be awarded from this RFP at the State's sole discretion. Offerors will be evaluated to the extent their proposal answers the evaluation criteria established in Section 5. Evaluation Criteria. A detailed description of the scope of work is provided in section 3 Scope of Work & Contract Information.~~

~~In addition to awarding up to three contracts for LIDAR data quality assurance and control services, the offeror with the best overall score will be awarded the Task Order associated with the Scope of work described in Section 3 for Skagway Collection described in Sec. 3.01.3.~~

And will be replaced with:

The Department of Natural Resources (DNR), Division of Geological & Geophysical Surveys, is soliciting proposals for qualified contractors to provide As Needed Light Detection and Ranging (LIDAR) data quality assurance and control services. **All offerors meeting Sec. 1.04 Prior Experience requirements** will be awarded a contract from this RFP. Offerors will be evaluated to the extent their proposal answers the evaluation criteria established in Section 5. Evaluation Criteria. A detailed description of the scope of work is provided in section 3 Scope of Work & Contract Information.

In addition to awarding **multiple** contracts for As Needed LIDAR data quality assurance and control services, the offeror with the best overall evaluation score will be awarded the Task Order associated with the Scope of work described in Section 3 for Skagway Collection described in Sec. 3.01.3.

CHANGE 2: This section of Attachment 5, Cost Proposal Form is being deleted in its entirety:

~~The Average Hourly Rate shown on this form in table "7. Total – For Evaluation Purposes Only" is the cost that will be used for evaluation and award of up to three contracts and the Skagway Area of Interest.~~

And will be replaced with:

The Average Hourly Rate shown on this form in table "7. Total – For Evaluation Purposes Only" is the cost that will be used for evaluation and award of the contracts and to award the Representative Project - Skagway Area of Interest project identified in Section 3 Scope of Work and Contract Information.
