SECTION 1. INTRODUCTION & INSTRUCTIONS

SEC. 1.01 PURPOSE OF THE ITB

The Department of Corrections, Division of Institution, is intended in the result of the purchase of miscellaneous boilers which includes a minimum of 12 months warranty and on-site parts at Goose Creek Correctional Center (GCCC) in Wasilla, AK.

SEC. 1.02 DEADLINE FOR RECEIPT OF BIDS

Bids must be received no later than **2PM Alaska Time on February 28, 2024**, at which time they will be publicly opened. Late bids or amendments will be disqualified and not opened or accepted for evaluation.

SEC. 1.03 INVITATION TO BID (ITB) REVIEW

Bidders shall carefully review this ITB for defects and questionable or objectionable material. Comments concerning defects and questionable or objectionable material in the ITB should be made in writing and received by the procurement officer at least ten days before the bid opening date. This will allow time for an amendment to be issued if one is required. It will also help prevent the opening of a defective bid, upon which award cannot be made, and the resultant exposure of bidders' prices.

SEC. 1.04 QUESTIONS PRIOR TO DEADLINE FOR RECEIPT OF BIDS

All questions must be in writing and directed to the procurement officer. The interested party must confirm telephone conversations in writing. Two types of questions generally arise. One may be answered by directing the questioner to a specific section of the ITB. These questions may be answered over the telephone. Other questions may be more complex and may require a written amendment to the ITB. The procurement officer will make that decision. **All questions must be submitted before February 26, 2024, at 2PM AST.**

SEC. 1.05 SUBMITTING BIDS

Do not submit your proposal through IRIS Vendor Self-Service (VSS).

Bidders must submit one hard copy of their bid, in writing, to the procurement officer in a sealed package. The sealed bid package must be addressed as follows:

**Department of Corrections
Administrative Services
Attention: Allan C. Oyao
ITB Number: 2024-2000-0236
ITB Title: Purchase of Misc. Boilers for Goose Creek Correctional Center in Wasilla, Alaska
550 W 7TH AVE, SUITE 1800,
ANCHORAGE, AK 99501**

If submitting a bid via email, the bid may be emailed to doc.procurement@alaska.gov and must contain the ITB number in the subject line of the email. The **maximum** size of a single email (including all text and attachments) that can be received by the state is **20mb (megabytes)**. If the email containing the bid exceeds this size, the bid must be sent in multiple emails that are each less than 20 megabytes and each email must comply with the requirements described above.

Please note that email transmission is not instantaneous. Similar to sending a hard copy bid, if you are emailing your bid, the state recommends sending it enough ahead of time to ensure the email is delivered by the deadline for receipt of bid.

It is the bidder's responsibility to contact the issuing agency at 907-269-5910 to confirm that the bid has been received. The state is not responsible for unreadable, corrupt, or missing attachments.

SEC. 1.06 BID FORMS

Bidders shall use the front page of this ITB and any other forms identified in this ITB for submitting bids. All bids must be signed by an individual authorized to bind the bidder to the provisions of the ITB.

BIDDER'S CERTIFICATION

By signature on the bid, the bidder certifies that they comply with the following:

- A. the laws of the State of Alaska;
- B. the applicable portion of the Federal Civil Rights Act of 1964;
- C. the Equal Employment Opportunity Act and the regulations issued thereunder by the state and federal government;
- D. the Americans with Disabilities Act of 1990 and the regulations issued thereunder by the state and federal government;
- E. all terms and conditions set out in this ITB;
- F. the price(s) submitted was arrived at independently arrived and without collusion, under penalty of perjury; and
- G. that the bid will remain open and valid for at least 90 days.

If any bidder fails to comply with [a] through [g] of this paragraph, the state reserves the right to disregard the bid, terminate the contract, or consider the contractor in default.

CONFLICT OF INTEREST

Each bid shall include a statement indicating whether or not the company or any individuals working on the contract has a possible conflict of interest (e.g., currently employed by the State of Alaska or formerly employed by the State of Alaska within the past two years) and, if so, the nature of that conflict. The procurement officer reserves the right to **consider a bid non-responsive and reject it** or cancel the award if any interest disclosed from any source could either give the appearance of a conflict or cause speculation as to the objectivity of the contract to be performed by the bidder.

SEC. 1.07 PRICES

The bidder shall state prices in the units of issue on this ITB. Prices quoted in bids must be exclusive of federal, state, and local taxes. If the bidder believes that certain taxes are payable by the state, the bidder may list such taxes separately, directly below the bid price for the affected item.

SEC. 1.08 ASSISTANCE TO BIDDERS WITH A DISABILITY

Bidders with a disability may receive accommodation regarding the means of communicating this ITB or participating in the procurement process. For more information, contact the procurement officer no later than ten days prior to the deadline for receipt of bids.

SEC. 1.09 AMENDMENTS TO BIDS

Amendments to or withdrawals of bids will only be allowed if acceptable requests are received prior to the deadline that is set for receipt of bids, in accordance with 2 AAC 12.140. No amendments or withdrawals will be accepted after the deadline unless the delay is due to an error of the contracting agency, in accordance with 2 AAC 12.160.

SEC. 1.11 ITB SCHEDULE

The ITB schedule set out herein represents the State of Alaska's best estimate of the schedule that will be followed. If a component of this schedule, such as the deadline for receipt of bids, is delayed, the rest of the schedule may be shifted accordingly. All times are Alaska Time.

The requirement for such supplemental information will be at the reasonable discretion of the state and may include the requirement that a bidder will provide a sample product(s) so that the state can make a first-hand examination and determination.

A bidder's failure to provide this supplemental information or the product sample(s), within the time set by the state, will cause the state to consider the offer non-responsive and reject the bid.

SEC. 1.14 FIRM, UNQUALIFIED, AND UNCONDITIONAL OFFER

material terms of the ITB. Material terms are those that could affect the price, quantity, quality, or delivery. Also included as material terms are those which are clearly identified in the ITB and which, for reasons of policy, must be complied with at risk of bid rejection for non-responsiveness.

The request must include a detailed description of the portion of work that will be performed outside the United States, where, by whom, and the reason the waiver is necessary.

Failure to comply with these requirements may cause the state to reject the bid as non-responsive, or cancel the contract.

The state may instruct the contractor to make corrections or modifications if needed in order to accomplish the contract's intent. The contractor will not unreasonably withhold such changes.

Substantial failure of the contractor to perform the contract may cause the state to terminate the contract. In this event, the state may require the contractor to reimburse monies paid (based on the identified portion of unacceptable products or work received) and may seek associated damages.

SEC. 2.13 CONTINUING OBLIGATION OF CONTRACTOR

Notwithstanding the expiration date of a contract resulting from this ITB, the contractor is obligated to fulfill its responsibilities until warranty, guarantee, maintenance, and parts availability requirements have completely expired.

SEC. 2.14 INDEMNIFICATION

The contractor shall indemnify, hold harmless, and defend the contracting agency from and against any claim of, or liability for error, omission or negligent act of the contractor under this agreement. The contractor shall not be required to indemnify the contracting agency for a claim of, or liability for, the independent negligence of the contracting agency. If there is a claim of, or liability for, the joint negligent error or omission of the contractor and the independent negligence of the contracting agency, the indemnification and hold harmless obligation shall be apportioned on a comparative fault basis.

"Contractor" and "contracting agency", as used within this and the following article, include the employees, agents and other contractors who are directly responsible, respectively, to each. The term "independent negligence" is negligence other than in the contracting agency's selection, administration, monitoring, or controlling of the contractor and in approving or accepting the contractor's work.

SEC. 2.15 INSURANCE

Without limiting the contractor's indemnification, it is agreed that the contractor shall purchase at its own expense and maintain in force at all times during the performance of services under this agreement the following policies of insurance. Where specific limits are shown, it is understood that they shall be the minimum acceptable limits. If the contractor's policy contains higher limits, the state shall be entitled to coverage to the extent of such higher limits.

Certificates of Insurance must be furnished to the procurement officer prior to contract approval and must provide for a notice of cancellation, non-renewal, or material change of conditions in accordance with policy provisions. Failure to furnish satisfactory evidence of insurance or lapse of the policy is a material breach of this contract and shall be grounds

for termination of the contractor's services. All insurance policies shall comply with and be issued by insurers licensed to transact the business of insurance under AS 21.

Proof of insurance is required for the following:

- Workers' Compensation Insurance: The contractor shall provide and maintain, for all employees engaged in work under this contract, coverage as required by AS 23.30.045, and; where applicable, any other statutory obligations including but not limited to Federal U.S.L. & H. and Jones Act requirements. The policy must waive subrogation against the state.
- Commercial General Liability Insurance: covering all business premises and operations used by the contractor in the performance of services under this agreement with minimum coverage limits of \$300,000 combined single limit per occurrence.
- Commercial Automobile Liability Insurance: covering all vehicles used by the contractor in the performance of services under this agreement with minimum coverage limits of \$300,000 combined single limit per occurrence.

SEC. 2.16 SECURITY & PERSONNEL CHECK

VEHICLE AND PERSONNEL CHECKS REQUIRED: All vehicles and personnel will be subject to identification and/or search in accordance with State law. No weapons, drugs, alcoholic beverages, or other items considered contraband will be permitted inside institution boundaries. Violators will be subject to prosecution under State law. Contractor will insure that only licensed drivers shall make deliveries.

SECURITY: Security at all Alaska correctional facilities is the first priority. Contractors can expect delays in conducting business within the facility and/or its grounds. "Contractor" is defined as: delivery personnel, couriers, or service providers. Prisoner counts, emergencies of any type, prisoner movement, other deliveries, or other factors may delay or restrict contractor entry or movement within the perimeter. Security staff will facilitate contractors in conducting their business, but contractors must at all times respect security staff instructions. Contractors must follow all lawful instructions and directives of any staff member while on facility grounds. The State will at all times retain the exclusive right to restrict contractor access to the facility, or portions of the facility, for any reason.

Contractors must at all times have in their possession a valid Alaska Driver's License or State provided identification card and be prepared to provide it to any staff whenever requested. Contractors must never leave their tools or personal effects unattended or unsecured. Knives, cellular telephones, toxic/hazardous chemicals, alcohol, tobacco, drugs and paraphernalia, weapons of any kind, and explosives are prohibited at all times. All other items (i.e. tools, repair parts, cameras, paperwork, boxes) entering the facility are subject to inspection and must be approved by security staff. Contractor tools and other items may be inventoried upon entering and exiting the facility. Giving prisoners access to driver's licenses, credit cards, telephone numbers, family pictures, etc. is a breach of security. Contractors must fully cooperate with facility staff to prevent escape, sabotage, assault, any disturbance, or the importation of contraband. There is no confidentiality when it comes to security at one of the correctional facilities. Information regarding impending riots, escape plans, assaults, and other such matters that come to you in what would otherwise be considered a confidential exchange must be passed on to security staff immediately. To withhold information such as this could endanger you and others as well as lead to criminal charges. Nothing within this section limits a specific facility's superintendent or security staff member from modifying or imposing alternate security requirements for contractors and their staff.

SECURITY CHECK: All personnel (both Contractor and Subcontractors) will be required to undergo a security check prior to commencement of work. A mandatory security briefing will be provided to the contractor staff prior to start of on-site work.

1. The contractor will complete a Request for Clearance form to submit to the facility security staff for review at least 48 hours prior to commencement of work. The form requires the following information from each person working on site:

- a. Full name.
- b. Residence address.
- c. Telephone Number.
- d. Date of birth.
- e. Social Security Number.
- f. Valid driver's license and state of issue, or other photo identification bearing social security number.
- g. The names of any relatives, friends or acquaintances that are currently incarcerated within the facility.

The bidder's failure to provide this certification letter with their bid will cause the state to disallow the preference.

SEC. 4.12 METHOD OF AWARD

SEC. 4.13 NOTICE OF INTENT TO AWARD

After the responses to this ITB have been opened and evaluated, a tabulation of the bids will be prepared. This tabulation, called a Notice of Intent to Award, serves two purposes. A copy of the Notice of Intent will be mailed to each company or person who responded to the ITB. Bidders identified as the apparent low responsive bidders are instructed not to proceed until a Purchase Order, Contract Award, Lease, or some other form of written notice is given by the procurement officer.
