SEC. 1.05 REQUIRED REVIEW

Offerors should carefully review this solicitation for defects and questionable or objectionable material. Comments concerning defects and questionable or objectionable material should be made in writing and received by the procurement officer at least five (5) days before the deadline for receipt of proposals. This will allow time for the issuance of any necessary amendments. It will also help prevent

the opening of a defective proposal and exposure of offeror's proposals upon which award could not be made.

SEC. 1.06 QUESTIONS PRIOR TO DEADLINE FOR RECEIPT OF PROPOSALS

All questions must be in writing and directed to the procurement officer.

Questions must be received no later than 12 noon (AKST) on March 5, 2024.

Other questions may be more complex and may require a written amendment to the IRFP. The procurement officer will make that decision. All questions must be in writing to the below:

Procurement Officer: Anneliese Zlitni – anneliese.zlitni@alaska.gov

SEC. 1.07 RETURN INSTRUCTIONS

The method of response submission to this solicitation is via email. When submitting a proposal, the technical proposal and cost proposal must be saved as separate PDF documents and emailed to doh.procurement.proposals@alaska.gov as separate, clearly labeled attachments, such as “Vendor A – Technical Proposal.pdf” and “Vendor A – Cost Proposal.pdf” (Vendor A is the name of the offeror). The email must contain the IRFP number in the subject line.

The **maximum** size of a single email (including all text and attachments) that can be received by the State is twenty megabytes (20mb). If the email containing the proposal exceeds this size, the proposal must be sent in multiple emails that are each less than twenty megabytes (20 mb) and each email must comply with the requirements described above.

Please note that email transmission is not instantaneous. When emailing your proposal, the State recommends sending it with enough time to ensure the email is delivered by the deadline for receipt of proposals.

It is the offeror’s responsibility to ensure that the procurement officer has received the proposal in full prior to the deadline. The procurement officer will respond to the email to confirm receipt. If you do not receive a confirmation, it is the offeror’s responsibility to contact the procurement officer to confirm that the proposal has been received. The State is not responsible for unreadable, corrupt, or missing attachments.

The procurement officer reserves the right to **consider a proposal non-responsive and reject it** or cancel the award if any interest disclosed from any source could either give the appearance of a conflict or cause speculation as to the objectivity of the contract to be performed by the offeror.

SEC. 1.09 ASSISTANCE TO OFFERORS WITH A DISABILITY

SECTION 2. BACKGROUND INFORMATION

SEC. 2.01 BACKGROUND INFORMATION

IPS is based on Shery Mead's book *Intentional Peer Support: An Alternative Approach*. DBH is looking for trainings on this evidence-based approach to add and/or develop skills to the State's peer workforce. IPS is a way of thinking about creating transformative relationships. The focus is on seeing relationships in greater awareness and creating a challenging relationship where each participant inspires others to try new things. IPS will help professionals create connections, broaden their worldviews, and help individuals move forward toward their goals.

The IPS framework includes the following principles:

- A. IPS relationships are viewed as partnerships that invite and inspire both parties to learn and grow, rather than as one person needing to "help" another.
- B. IPS doesn't start with the assumption of a problem. With IPS, each of us pays attention to how we have learned to make sense of our experiences, then uses the relationship to create new ways of seeing, thinking, and doing.
- C. IPS promotes a trauma-informed way of relating. Instead of asking, "What's wrong?" we learn to ask, "What happened?"
- D. IPS examines our lives in the context of mutually accountable relationships and communities — looking beyond the mere notion of individual responsibility for change.
- E. IPS encourages us to increasingly live and move toward what we want instead of focusing on what we need to stop or avoid doing.

Through this training for peer professionals, DBH would like to broaden peer workers' understanding of the IPS model and put it into practice in the various fields of peer work. This training should provide skills that open new ways of seeing, thinking, and doing, and examine how to make this possible. The IPS training should cover areas such as: ways to connect and be aware; navigating disconnections and re-engagement; striving for mutuality in relationships; staying curious; engaging in proactive questioning and judgments; developing new ways of listening; building relationships; maintaining power balance in relationships; learning ways to approach crisis situations; labeling; trauma; and peer work in social change.

Unless otherwise provided in this IRFP, the State and the successful offeror/contractor agree: (1) that any extension of the contract, excluding any exercised renewal options, will be considered as a month-to-month extension, and all other terms and conditions shall remain in full force and effect; and (2) the procurement officer will provide written notice to the contractor of the intent to cancel such month-to-month extension at least thirty (30) days before the desired date of cancellation. - E. Workbooks, supplies, and training materials must be sent as downloads or be mailed to participants.

- F. The classes must be marketed across the state and must prioritize SUD and mental health peer professionals.

SEC. 5.05 CONTRACT COST (40%)

Overall, a minimum of **40%** of the total evaluation points will be assigned to cost. The cost amount used for evaluation may be affected by one or more of the preferences referenced under Section 6.11.

Converting Cost to Points

The lowest cost proposal will receive the maximum number of points allocated to cost. The point allocations for cost on the other proposals will be determined through the method set out in Section 6.15.

SEC. 5.06 ALASKA OFFEROR PREFERENCE (10%)

If an offeror qualifies for the Alaska Bidder Preference, the offeror will receive an Alaska Offeror Preference. The preference will be 10% of the total available points. This amount will be added to the overall evaluation score of each Alaskan offeror.

SECTION 6. GENERAL PROCESS INFORMATION

SEC. 6.01 ALASKA BUSINESS LICENSE AND OTHER REQUIRED LICENSES

Prior to the award of a contract, an offeror must hold a valid Alaska business license. However, in order to receive the Alaska Bidder Preference and other related preferences, such as the Alaska Veteran Preference and Alaska Offeror Preference, an offeror must hold a valid Alaska business license prior to the deadline for receipt of proposals. Offerors should contact the **Department of Commerce, Community and Economic Development, Division of Corporations, Business, and Professional Licensing, PO Box 110806, Juneau, Alaska 99811-0806**, for information on these licenses. Acceptable evidence that the offeror possesses a valid Alaska business license may consist of any one of the following:

- copy of an Alaska business license;
- certification on the proposal that the offeror has a valid Alaska business license and has included the license number in the proposal;
- a canceled check for the Alaska business license fee;
- a copy of the Alaska business license application with a receipt stamp from the State's occupational licensing office; or
- a sworn and notarized statement that the offeror has applied and paid for the Alaska business license.

You are not required to hold a valid Alaska business license at the time proposals are opened if you possess one of the following licenses and are offering services or supplies under that specific line of business:

- fisheries business licenses issued by Alaska Department of Revenue or Alaska Department of Fish and Game,
- liquor licenses issued by Alaska Department of Revenue for alcohol sales only,
- insurance licenses issued by Alaska Department of Commerce, Community and Economic Development, Division of Insurance, or
- Mining licenses issued by Alaska Department of Revenue.

Prior the deadline for receipt of proposals, all offerors must hold any other necessary applicable professional licenses required by Alaska Statute.

SEC. 6.02 SITE INSPECTION

The State may conduct on-site visits to evaluate the offeror's capacity to perform the contract. An offeror must agree, at risk of being found non-responsive and having its proposal rejected, to provide

the State reasonable access to relevant portions of its work sites. Individuals designated by the procurement officer at the State's expense will make site inspection.

SEC. 6.03 CLARIFICATION OF OFFERS

In order to determine if a proposal is reasonably susceptible for award, communications by the procurement officer or the Proposal Evaluation Committee (PEC) are permitted with an offeror to clarify uncertainties or eliminate confusion concerning the contents of a proposal. Clarifications may not result in a material or substantive change to the proposal. The evaluation by the procurement officer or the PEC may be adjusted as a result of a clarification under this section.

SEC. 6.04 DISCUSSIONS WITH OFFERORS

The State may conduct discussions with offerors in accordance with AS 36.30.240 and 2 AAC 12.290. The purpose of these discussions will be to ensure full understanding of the requirements of the IRFP and proposal. Discussions will be limited to specific sections of the IRFP or proposal identified by the procurement officer. Discussions will only be held with offerors who have submitted a proposal deemed reasonably susceptible for award by the procurement officer. Discussions, if held, will be after initial evaluation of proposals by the procurement officer or the PEC. If modifications are made as a result of these discussions, they will be put in writing. Following discussions, the procurement officer may set a time for best and final proposal submissions from those offerors with whom discussions were held. Proposals may be reevaluated after receipt of best and final proposal submissions.

If an offeror does not submit a best and final proposal or a notice of withdrawal, the offeror's immediate previous proposal is considered the offeror's best and final proposal.

Offerors with a disability needing accommodation should contact the procurement officer prior to the date set for discussions so that reasonable accommodation can be made. Any oral modification of a proposal must be reduced to writing by the offeror.

SEC. 6.05 EVALUATION OF PROPOSALS

The procurement officer, or an evaluation committee made up of at least three (3) State employees or public officials, will evaluate proposals. The evaluation will be based solely on the evaluation factors set out in **SECTION 5. EVALUATION CRITERIA AND CONTRACTOR SELECTION**.

After receipt of proposals, if there is a need for any substantial clarification or material change in the IRFP, an amendment will be issued. The amendment will incorporate the clarification or change, and a new date and time established for new or amended proposals. Evaluations may be adjusted as a result of receiving new or amended proposals.

SEC. 6.06 CONTRACT NEGOTIATION

After final evaluation, the procurement officer may negotiate with the offeror of the highest-ranked proposal. Negotiations, if held, shall be within the scope of the request for proposals and limited to those items which would not have an effect on the ranking of proposals. If the highest-ranked offeror fails to provide necessary information for negotiations in a timely manner, or fails to negotiate in good

faith, the State may terminate negotiations and negotiate with the offeror of the next highest-ranked proposal.

SEC. 6.07 FAILURE TO NEGOTIATE

If the selected offeror

- fails to provide the information required to begin negotiations in a timely manner; or
- fails to negotiate in good faith; or
- indicates they cannot perform the contract within the budgeted funds available for the project; or
- if the offeror and the State, after a good faith effort, simply cannot come to terms,

the State may terminate negotiations with the offeror initially selected and commence negotiations with the next highest ranked offeror.

SEC. 6.08 OFFEROR NOTIFICATION OF SELECTION

After the completion of contract negotiation, the procurement officer will issue a written Notice of Intent to Award (NIA) and send copies to all offerors. The NIA will set out the names of all offerors and identify the proposal selected for award.

SEC. 6.09 PROTEST

2 AAC 12.695 provides that an interested party may protest the content of the IRFP or the award of a contract.

An interested party is defined in 2 AAC 12.990(a)(7) as “an actual or prospective bidder or offeror whose economic interest might be affected substantially and directly by the issuance of a contract solicitation, the award of a contract, or the failure to award a contract.”

Per 2 AAC 12.695, an interested party must first attempt to informally resolve the dispute with the procurement officer. If that attempt is unsuccessful, the interested party may file a written protest to the solicitation or the award of the contract. The protest must be filed with the Commissioner of the purchasing agency or the Commissioner’s designee. The protester must also file a copy of the protest with the procurement officer. The protest must include the following information:

- the name, address, and telephone number of the protester;
- the signature of the protester or the protester's representative;
- identification of the contracting agency and the solicitation or contract at issue;
- a detailed statement of the legal and factual grounds of the protest including copies of relevant documents; and
- the form of relief requested.

If an interested party wishes to protest the content of a solicitation, the protest must be filed before the date and time that proposals are due.

If an offeror wishes to protest the award of a contract not greater than \$50,000, the protest must be filed within ten (10) days from the date of the solicitation or award, whichever is later.

If an offeror wishes to protest the award of a contract greater than \$50,000, the protest must be filed within ten (10) days from the date that notice of award is made.

A protester must have submitted a proposal in order to have sufficient standing to protest the award of a contract.

The procurement officer shall immediately give notice of the protest to the contractor or, if no award has been made, to all offerors who submitted proposals.

If the protestor agrees, the Commissioner of the purchasing department or the Commissioner's designee may assign the protest to the procurement officer or other State official for alternate dispute resolution. In other cases, the Commissioner or the Commissioner's designee may issue a decision denying the protest and stating the reasons for denial, issue a decision sustaining the protest, in whole or in part, and instruct the procurement officer to implement an appropriate remedy, or conduct a hearing using procedures set out in AS 36.30.670(b).

SEC. 6.10 APPLICATION OF PREFERENCES

Certain preferences apply to all contracts for professional services, regardless of their dollar value. The Alaska Bidder, Alaska Veteran, and Alaska Offeror preferences are the most common preferences involved in the IRFP process. Additional preferences that may apply to this procurement are listed below. Guides that contain excerpts from the relevant statutes and codes, explain when the preferences apply, and provide examples of how to calculate the preferences are available at the **Department of Administration, Division of Shared Service's** web site:

<http://doa.alaska.gov/dgs/pdf/pref1.pdf>

- Alaska Products Preference - AS 36.30.332
- Recycled Products Preference - AS 36.30.337
- Local Agriculture and Fisheries Products Preference - AS 36.15.050
- Employment Program Preference - AS 36.30.321(b)
- Alaskans with Disabilities Preference - AS 36.30.321(d)

The Division of Vocational Rehabilitation in the Department of Labor and Workforce Development keeps a list of qualified employment programs and individuals who qualify as persons with a disability. As evidence of a business's or an individual's right to the Employment Program or Alaskans with Disabilities preferences, the Division of Vocational Rehabilitation will issue a certification letter. To take advantage of these preferences, a business or individual must be on the appropriate Division of

Vocational Rehabilitation list prior to the time designated for receipt of proposals. Offerors must attach a copy of their certification letter to the proposal. **An offeror's failure to provide this certification letter with their proposal will cause the State to disallow the preference.**

Sec. 6.11 ALASKA BIDDER PREFERENCE

An Alaska Bidder Preference of five percent (5%) will be applied to the price in the proposal. The preference will be given to an offeror who:

- 1) holds a current Alaska business license prior to the deadline for receipt of proposals;
- 2) submits a proposal for goods or services under the name appearing on the offeror's current Alaska business license;
- 3) has maintained a place of business within the state staffed by the offeror, or an employee of the offeror, for a period of six (6) months immediately preceding the date of the proposal;
- 4) is incorporated or qualified to do business under the laws of the state, is a sole proprietorship and the proprietor is a resident of the state, is a limited liability company (LLC) organized under AS 10.50 and all members are residents of the state, or is a partnership under AS 32.06 or AS 32.11 and all partners are residents of the state; and
- 5) if a joint venture, is composed entirely of ventures that qualify under (1)-(4) of this subsection.

Alaska Bidder Preference Certification Form

In order to receive the Alaska Bidder Preference, the proposal must include the Alaska Bidder Preference Certification Form attached to this IRFP. An offeror does not need to complete the Alaska Veteran Preference questions on the form if not claiming the Alaska Veteran Preference. An offeror's failure to provide this completed form with their proposal will cause the State to disallow the preference.

SEC. 6.12 ALASKA VETERAN PREFERENCE

An Alaska Veteran Preference of five percent (5%), not to exceed \$5,000, will be applied to the price in the proposal. The preference will be given to an offeror who qualifies under AS 36.30.990(2) as an Alaska bidder and is a:

- A. sole proprietorship owned by an Alaska veteran;
- B. partnership under AS 32.06 or AS 32.11 if a majority of the partners are Alaska veterans;
- C. limited liability company organized under AS 10.50 if a majority of the members are Alaska veterans; or
- D. corporation that is wholly owned by individuals, and a majority of the individuals are Alaska veterans.

In accordance with AS 36.30.321(i), the bidder must also add value by actually performing, controlling, managing, and supervising the services provided, or for supplies, the bidder must have sold supplies of the general nature solicited to other state agencies, other government, or the general public.

Alaska Veteran Preference Certification

In order to receive the Alaska Veteran Preference, the proposal must include the Alaska Bidder Preference Certification Form attached to this IRFP. An offeror's failure to provide this completed form with their proposal will cause the State to disallow the preference.

SEC. 6.13 ALASKA OFFEROR PREFERENCE

2 AAC 12.260(e) provides Alaska offerors a ten percent (10%) overall evaluation point preference. Alaska bidders, as defined in AS 36.30.990(2), are eligible for the preference. An Alaska offeror will receive ten percent (10%) of the total available points added to their overall evaluation score as a preference.

SEC. 6.14 FORMULA USED TO CONVERT COST TO POINTS

The distribution of points based on cost will be determined as set out in 2 AAC 12.260(c). The lowest cost proposal will receive the maximum number of points allocated to cost. The point allocations for cost on the other proposals will be determined using the formula:

$$[(\text{Price of Lowest Cost Proposal}) \times (\text{Maximum Points for Cost})] \div (\text{Cost of Each Higher Priced Proposal})$$

SEC. 6.15 EXAMPLES: CONVERTING COST TO POINTS & APPLYING PREFERENCES

(a) FORMULA USED TO CONVERT COST TO POINTS

STEP 1

List all proposal prices, adjusted where appropriate by the application of applicable preferences claimed by the offeror.

Offeror #1	\$40,000
Offeror #2	\$42,750
Offeror #3	\$47,500

STEP 2

In this example, the IRFP allotted 40% of the available 100 points to cost. This means that the lowest cost will receive the maximum number of points.

Offeror #1 receives 40 points.

The reason they receive that amount is because the lowest cost proposal, in this case \$40,000, receives the maximum number of points allocated to cost, 40 points.

Offeror #2 receives 37.4 points.

$\$40,000 \text{ lowest cost} \times 40 \text{ maximum points for cost} = 1,600,000 \div \$42,750 \text{ cost of Offeror \#2's proposal} = 37.4$

Offeror #3 receives 33.7 points.

$\$40,000 \text{ lowest cost} \times 40 \text{ maximum points for cost} = 1,600,000 \div \$47,500 \text{ cost of Offeror \#3's proposal} = 33.7$

(b) ALASKA OFFEROR PREFERENCE

STEP 1

Determine the number of points available to qualifying offerors under this preference.

100 Total Points Available in IRFP x 10% Alaska offerors preference = 10 Points for the Preference

STEP 2

Determine which offerors qualify as Alaska bidders and thus, are eligible for the Alaska offerors preference. For the purpose of this example, presume that all of the proposals have been completely evaluated based on the evaluation criteria in the IRFP. The scores at this point are:

Offeror #1	83 points	No Preference	0 points
Offeror #2	74 points	Alaska Offerors Preference	10 points
Offeror #3	80 points	Alaska Offerors Preference	10 points

STEP 3

Add the applicable Alaska offerors preference amounts to the offeror's scores:

Offeror #1	83 points
Offeror #2	84 points (74 points + 10 points)
Offeror #3	90 points (80 points + 10 points)

STEP 4

Offeror #3 is the highest scoring offeror and would get the award, provided their proposal is responsible and responsive.

SECTION 7. GENERAL LEGAL INFORMATION

SEC. 7.01 STANDARD CONTRACT PROVISIONS

The contractor will be required to sign and submit the State's Standard Agreement Form for Professional Services Contracts (form SAF.DOC/Appendix A) OR Standard Contract Form for Goods and Non-Professional Services (form SCF.DOC/Appendix A). This form is attached in **SECTION 8. EXHIBITS** for your review. The contractor must comply with the contract provisions set out in this attachment. No alteration of these provisions will be permitted without prior written approval from the Department of Law. Objections to any of the provisions in Appendix A must be set out in the offeror's proposal in a separate document. Please include the following information with any change that you are proposing:

1. Identify the provision the offeror takes exception with.
2. Identify why the provision is unjust, unreasonable, etc.
3. Identify exactly what suggested changes should be made.

SEC. 7.02 QUALIFIED OFFERORS

Per 2 AAC 12.875, unless provided for otherwise in the IRFP, to qualify as an offeror for award of a contract issued under AS 36.30, the offeror must:

- 1) Add value in the contract by actually performing, controlling, managing, or supervising the services to be provided; or
- 2) Be in the business of selling and have actually sold on a regular basis the supplies that are the subject of the IRFP.

If the offeror leases services or supplies or acts as a broker or agency in providing the services or supplies in order to meet these requirements, the procurement officer may not accept the offeror as a qualified offeror under AS 36.30.

SEC. 7.03 PROPOSAL AS PART OF THE CONTRACT

Part of all of this IRFP and the successful proposal may be incorporated into the contract.

SEC. 7.04 ADDITIONAL TERMS AND CONDITIONS

The state reserves the right to add terms and conditions during contract negotiations. These terms and conditions will be within the scope of the IRFP and will not affect the proposal evaluations.

SEC. 7.05 HUMAN TRAFFICKING

By signature on their proposal, the offeror certifies that the offeror is not established and headquartered or incorporated and headquartered in a country recognized as Tier 3 in the most recent United States Department of State's Trafficking in Persons Report.

The most recent United States Department of State's Trafficking in Persons Report can be found at the following website: <https://www.state.gov/trafficking-in-persons-report/>

Failure to comply with this requirement will cause the state to reject the proposal as non-responsive, or cancel the contract.

SEC. 7.06 RIGHT OF REJECTION

Offerors must comply with all of the terms of the IRFP, the State Procurement Code (AS 36.30), and all applicable local, state, and federal laws, codes, and regulations. The procurement officer may reject any proposal that does not comply with all of the material and substantial terms, conditions, and performance requirements of the IRFP.

Offerors may not qualify the proposal nor restrict the rights of the state. If an offeror does so, the procurement officer may determine the proposal to be a non-responsive counter-offer and the proposal may be rejected.

Minor informalities that:

- do not affect responsiveness;
- are merely a matter of form or format;
- do not change the relative standing or otherwise prejudice other offers;
- do not change the meaning or scope of the IRFP;
- are trivial, negligible, or immaterial in nature;
- do not reflect a material change in the work; or
- do not constitute a substantial reservation against a requirement or provision;

may be waived by the procurement officer.

The state reserves the right to refrain from making an award if it determines that to be in its best interest.

A proposal from a debarred or suspended offeror shall be rejected.

SEC. 7.07 STATE NOT RESPONSIBLE FOR PREPARATION COSTS

The state will not pay any cost associated with the preparation, submittal, presentation, or evaluation of any proposal.

SEC. 7.08 DISCLOSURE OF PROPOSAL CONTENTS

All proposals and other material submitted become the property of the State of Alaska and may be returned only at the state's option. AS 40.25.110 requires public records to be open to reasonable inspection. All proposal information, including detailed price and cost information, will be held in confidence during the evaluation process and prior to the time a Notice of Intent to Award is issued. Thereafter, proposals will become public information.

The Office of Procurement and Property Management (OPPM), or their designee recognizes that some information an offeror submits might be confidential under the United States or the State of Alaska Constitution, a federal statute or regulation, or a State of Alaska statute: i.e., might be confidential business information (CBI). *See, e.g.,* article 1, section 1 of the Alaska Constitution; AS 45.50.910 – 45.50.945 (the Alaska Uniform Trade Secrets Act); *DNR v. Arctic Slope Regional Corp.*, 834 P.2d 134, 137-39 (Alaska 1991). For OPPM or their designee to treat information an offeror submits with its proposal as CBI, the offeror must do the following when submitting their proposal: (1) mark the specific information it asserts is CBI; and (2) for each discrete set of such information, identify, in writing, each authority the offeror asserts make the information CBI. If the offeror does not do these

things, the information will become public after the Notice of Intent to Award is issued. If the offeror does these things, OPPM or their designee will evaluate the offeror's assertion upon receiving a request for the information. If OPPM or their designee reject the assertion, they will, to the extent permitted by federal and State of Alaska law, undertake reasonable measures to give the offeror an opportunity to object to the disclosure of the information.

SEC. 7.09 ASSIGNMENTS

Per 2 AAC 12.480, the contractor may not transfer or assign any portion of the contract without prior written approval from the procurement officer. Proposals that are conditioned upon the state's approval of an assignment will be rejected as non-responsive.

SEC. 7.10 DISPUTES

A contract resulting from this IRFP is governed by the laws of the State of Alaska. If the contractor has a claim arising in connection with the agreement that it cannot resolve with the state by mutual agreement, it shall pursue the claim, if at all, in accordance with the provisions of AS 36.30.620 – AS 36.30.632. To the extent not otherwise governed by the preceding, the claim shall be brought only in the Superior Court of the State of Alaska and not elsewhere.

SEC. 7.11 SEVERABILITY

If any provision of the contract is found to be invalid or declared by a court to be illegal or in conflict with any law, the validity of the remaining terms and provisions will not be affected; and, the rights and obligations of the parties will be construed and enforced as if the contract did not contain the particular provision held to be invalid.

SEC. 7.12 SUPPLEMENTAL TERMS AND CONDITIONS

Proposals must comply with **SEC. 7.06 RIGHT OF REJECTION**. However, if the state fails to identify or detect supplemental terms or conditions that conflict with those contained in this IRFP or that diminish the state's rights under any contract resulting from the IRFP, the term(s) or condition(s) will be considered null and void. After award of contract:

if conflict arises between a supplemental term or condition included in the proposal and a term or condition of the IRFP, the term or condition of the IRFP will prevail; and

if the state's rights would be diminished as a result of application of a supplemental term or condition included in the proposal, the supplemental term or condition will be considered null and void.

SEC. 7.13 FEDERALLY IMPOSED TARRIFFS

Changes in price (increase or decrease) resulting directly from a new or updated Federal Tariff, excise tax, or duty, imposed after contract award may be adjusted during the contract period or before delivery into the United States via contract amendment.

- **Notification of Changes:** The Contractor must promptly notify the Procurement Officer in writing of any new, increased, or decreased Federal excise tax or duty that may result in either an increase or decrease in the contact price and shall take appropriate action as directed by the Procurement Officer.
- **After-imposed or Increased Taxes and Duties:** Any Federal excise tax or duty for goods or services covered by this contract that was exempted or excluded on the contract award date but later imposed

on the contractor during the contract period, as the result of legislative, judicial, or administrative action may result in a price increase provided:

- a) The tax or duty takes effect after the contract award date and isn't otherwise addressed by the contract;
 - b) The contractor warrants, in writing, that no amount of the newly imposed Federal excise tax or duty or rate increase was included in the contract price, as a contingency or otherwise.
- **After-relieved or Decreased Taxes and Duties:** The contract price shall be decreased by the amount of any decrease in Federal excise tax or duty for goods or services under the contract, except social security or other employment [taxes](#), that the Contractor is required to pay or bear, or does not obtain a refund of, through the Contractor's fault, negligence, or failure to follow instructions of the Procurement Officer.
 - **State's Ability to Make Changes:** The State reserves the right to request verification of Federal excise tax or duty amounts on goods or services covered by this contract and increase or decrease the contract price accordingly.
 - **Price Change Threshold:** No adjustment shall be made in the contract price under this clause unless the amount of the adjustment exceeds \$250.

APPENDIX A

GENERAL PROVISIONS

Article 1. Definitions.

- 1.1 In this contract and appendices, "Project Director" or "Agency Head" or "Procurement Officer" means the person who signs this contract on behalf of the Requesting Agency and includes a successor or authorized representative.
- 1.2 "State Contracting Agency" means the department for which this contract is to be performed and for which the Commissioner or Authorized Designee acted in signing this contract.

Article 2. Inspections and Reports.

- 2.1 The department may inspect, in the manner and at reasonable times it considers appropriate, all the contractor's facilities and activities under this contract.
- 2.2 The contractor shall make progress and other reports in the manner and at the times the department reasonably requires.

Article 3. Disputes.

- 3.1 If the contractor has a claim arising in connection with the contract that it cannot resolve with the State by mutual agreement, it shall pursue the claim, if at all, in accordance with the provisions of AS 36.30.620 – 632.

Article 4. Equal Employment Opportunity.

- 4.1 The contractor may not discriminate against any employee or applicant for employment because of race, religion, color, national origin, or because of age, disability, sex, marital status, changes in marital status, pregnancy or parenthood when the reasonable demands of the position(s) do not require distinction on the basis of age, disability, sex, marital status, changes in marital status, pregnancy, or parenthood. The contractor shall take affirmative action to insure that the applicants are considered for employment and that employees are treated during employment without unlawful regard to their race, color, religion, national origin, ancestry, disability, age, sex, marital status, changes in marital status, pregnancy or parenthood. This action must include, but need not be limited to, the following: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training including apprenticeship. The contractor shall post in conspicuous places, available to employees and applicants for employment, notices setting out the provisions of this paragraph.
- 4.2 The contractor shall state, in all solicitations or advertisements for employees to work on State of Alaska contract jobs, that it is an equal opportunity employer and that all qualified applicants will receive consideration for employment without regard to race, religion, color, national origin, age, disability, sex, marital status, changes in marital status, pregnancy or parenthood.
- 4.3 The contractor shall send to each labor union or representative of workers with which the contractor has a collective bargaining agreement or other contract or understanding a notice advising the labor union or workers' compensation representative of the contractor's commitments under this article and post copies of the notice in conspicuous places available to all employees and applicants for employment.
- 4.4 The contractor shall include the provisions of this article in every contract, and shall require the inclusion of these provisions in every contract entered into by any of its subcontractors, so that those provisions will be binding upon each subcontractor. For the purpose of including those provisions in any contract or subcontract, as required by this contract, "contractor" and "subcontractor" may be changed to reflect appropriately the name or designation of the parties of the contract or subcontract.
- 4.5 The contractor shall cooperate fully with State efforts which seek to deal with the problem of unlawful discrimination, and with all other State efforts to guarantee fair employment practices under this contract, and promptly comply with all requests and directions from the State Commission for Human Rights or any of its officers or agents relating to prevention of discriminatory employment practices.
- 4.6 Full cooperation in paragraph 4.5 includes, but is not limited to, being a witness in any proceeding involving questions of unlawful discrimination if that is requested by any official or agency of the State of Alaska; permitting employees of the contractor to be witnesses or complainants in any proceeding involving questions of unlawful discrimination, if that is requested by any official or agency of the State of Alaska; participating in meetings; submitting periodic reports on the equal employment aspects of present and future employment; assisting inspection of the contractor's facilities; and promptly complying with all State directives considered essential by any office or agency of the State of Alaska to insure compliance with all federal and State laws, regulations, and policies pertaining to the prevention of discriminatory employment practices.
- 4.7 Failure to perform under this article constitutes a material breach of contract.

Article 5. Termination.

The Project Director, by written notice, may terminate this contract, in whole or in part, when it is in the best interest of the State. In the absence of a breach of contract by the contractor, the State is liable only for payment in accordance with the payment provisions of this contract for services rendered before the effective date of termination.

Article 6. No Assignment or Delegation.

The contractor may not assign or delegate this contract, or any part of it, or any right to any of the money to be paid under it, except with the written consent of the Project Director and the Agency Head.

Article 7. No Additional Work or Material.

No claim for additional services, not specifically provided in this contract, performed or furnished by the contractor, will be allowed, nor may the contractor do any work or furnish any material not covered by the contract unless the work or material is ordered in writing by the Project Director and approved by the Agency Head.

Article 8. Independent Contractor.

The contractor and any agents and employees of the contractor act in an independent capacity and are not officers or employees or agents of the State in the performance of this contract.

Article 9. Payment of Taxes.

As a condition of performance of this contract, the contractor shall pay all federal, State, and local taxes incurred by the contractor and shall require their payment by any Subcontractor or any other persons in the performance of this contract. Satisfactory performance of this paragraph is a condition precedent to payment by the State under this contract.

Article 10. Ownership of Documents.

All designs, drawings, specifications, notes, artwork, and other work developed in the performance of this agreement are produced for hire and remain the sole property of the State of Alaska and may be used by the State for any other purpose without additional compensation to the contractor. The contractor agrees not to assert any rights and not to establish any claim under the design patent or copyright laws. Nevertheless, if the contractor does mark such documents with a statement suggesting they are trademarked, copyrighted, or otherwise protected against the State's unencumbered use or distribution, the contractor agrees that this paragraph supersedes any such statement and renders it void. The contractor, for a period of three years after final payment under this contract, agrees to furnish and provide access to all retained materials at the request of the Project Director. Unless otherwise directed by the Project Director, the contractor may retain copies of all the materials.

Article 11. Governing Law; Forum Selection

This contract is governed by the laws of the State of Alaska. To the extent not otherwise governed by Article 3 of this Appendix, any claim concerning this contract shall be brought only in the Superior Court of the State of Alaska and not elsewhere.

Article 12. Conflicting Provisions.

Unless specifically amended and approved by the Department of Law, the terms of this contract supersede any provisions the contractor may seek to add. The contractor may not add additional or different terms to this contract; AS 45.02.207(b)(1). The contractor specifically acknowledges and agrees that, among other things, provisions in any documents it seeks to append hereto that purport to (1) waive the State of Alaska's sovereign immunity, (2) impose indemnification obligations on the State of Alaska, or (3) limit liability of the contractor for acts of contractor negligence, are expressly superseded by this contract and are void.

Article 13. Officials Not to Benefit.

Contractor must comply with all applicable federal or State laws regulating ethical conduct of public officers and employees.

Article 14. Covenant Against Contingent Fees.

The contractor warrants that no person or agency has been employed or retained to solicit or secure this contract upon an agreement or understanding for a commission, percentage, brokerage or contingent fee except employees or agencies maintained by the contractor for the purpose of securing business. For the breach or violation of this warranty, the State may terminate this contract without liability or in its discretion deduct from the contract price or consideration the full amount of the commission, percentage, brokerage or contingent fee.

Article 15. Compliance.

In the performance of this contract, the contractor must comply with all applicable federal, state, and borough regulations, codes, and laws, and be liable for all required insurance, licenses, permits and bonds.

Article 16. Force Majeure:

The parties to this contract are not liable for the consequences of any failure to perform, or default in performing, any of their obligations under this Agreement, if that failure or default is caused by any unforeseeable Force Majeure, beyond the control of, and without the fault or negligence of, the respective party. For the purposes of this Agreement, Force Majeure will mean war (whether declared or not); revolution; invasion; insurrection; riot; civil commotion; sabotage; military or usurped power; lightning; explosion; fire; storm; drought; flood; earthquake; epidemic; quarantine; strikes; acts or restraints of governmental authorities affecting the project or directly or indirectly prohibiting or restricting the furnishing or use of materials or labor required; inability to secure materials, machinery, equipment or labor because of priority, allocation or other regulations of any governmental authorities.

Appendix B

Indemnity and Insurance

Article 1. Indemnification

The Contractor shall indemnify, hold harmless, and defend the contracting agency from and against any claim of, or liability for error, omission or negligent act of the Contractor under this agreement. The Contractor shall not be required to indemnify the contracting agency for a claim of, or liability for, the independent negligence of the contracting agency. If there is a claim of, or liability for, the joint negligent error or omission of the Contractor and the independent negligence of the Contracting agency, the indemnification and hold harmless obligation shall be apportioned on a comparative fault basis. "Contractor" and "Contracting agency", as used within this and the following article, include the employees, agents and other contractors who are directly responsible, respectively, to each. The term "independent negligence" is negligence other than in the Contracting agency's selection, administration, monitoring, or controlling of the Contractor and in approving or accepting the Contractor's work.

Article 2. Insurance

Without limiting contractor's indemnification, it is agreed that contractor shall purchase at its own expense and maintain in force at all times during the performance of services under this agreement the following policies of insurance. Where specific limits are shown, it is understood that they shall be the minimum acceptable limits. If the contractor's policy contains higher limits, the state shall be entitled to coverage to the extent of such higher limits. Certificates of Insurance must be furnished to the contracting officer prior to beginning work and must provide for a notice of cancellation, non-renewal, or material change of conditions in accordance with policy provisions. Failure to furnish satisfactory evidence of insurance or lapse of the policy is a material breach of this contract and shall be grounds for termination of the contractor's services. All insurance policies shall comply with and be issued by insurers licensed to transact the business of insurance under AS 21.

2.1 Workers' Compensation Insurance: The Contractor shall provide and maintain, for all employees engaged in work under this contract, coverage as required by AS 23.30.045, and; where applicable, any other statutory obligations including but not limited to Federal U.S.L. & H. and Jones Act requirements. The policy must waive subrogation against the State.

2.3 Commercial Automobile Liability Insurance: covering all vehicles used by the Contractor in the performance of services under this agreement with minimum coverage limits of \$300,000 combined single limit per claim.

RECITALS

Whereas,

- A. CE wishes to disclose certain information to BA, some of which may constitute Protected Health Information ("PHI");

- E. BA may be a Qualified Service Organization ("QSO") under Part 2 and therefore must agree to certain mandatory provisions regarding the use and disclosure of substance abuse treatment information.

Therefore, in consideration of mutual promises below and the exchange of information pursuant to the BAA, CE and BA agree as follows:

1. Definitions.

- a. General: As used in this BAA, the terms "Protected Health Information," "Health Care Operations," and other capitalized terms have the same meaning given to those terms by HIPAA, the HITECH Act and the Privacy and Security Rule. In the event of any conflict between the mandatory provisions of HIPAA, the HITECH Act or the Privacy and Security Rule, and the provisions of this BAA, HIPAA, the HITECH Act or the Privacy and Security Rule shall control. Where the provisions of this BAA differ from those mandated by HIPAA, the HITECH Act or the Privacy and Security Rule but are nonetheless permitted by HIPAA, the HITECH Act or the Privacy and Security Rule, the provisions of the BAA shall control.
- b. Specific:
 - 1) Business Associate: "Business Associate" or "BA" shall generally have the same meaning as the term "business associate" at 45 C.F.R. 160.103.

- 2) Covered Entity: “Covered Entity” or “CE” shall have the same meaning as the term “covered entity” at 45 C.F.R. 160.103.
- 3) Privacy and Security Rule: “Privacy and Security Rule” shall mean the Privacy, Security, Breach Notification, and Enforcement Rules at 45 C.F.R. Part 160 and Part 164.
- 4) Triennially: “Triennially” shall mean once every three years.

2. Statement of Work and Responsibilities.

As provided by AS 44.21.020 and AS 44.21.160, The BA provides automatic data processing services to the CE. These services include storage, transmission, security, and recovery of electronic information owned by CE. BA is responsible for ensuring continuity of service, delivery, and access to CE electronic information at all times including in the event of a disaster.

3. Permitted Uses and Disclosures by Business Associate.

a. BA may only use or disclose PHI for the following purposes:

- 1) BA may use or disclose PHI as required by law.
- 2) BA agrees to make uses and disclosures and requests for PHI consistent with CE’s minimum necessary policies and procedures.
- 3) BA may not use or disclose PHI in a manner that would violate Subpart E of 45 C.F.R. Part 164 if done by CE, except for the specific uses and disclosures set out below.
- 4) BA may disclose PHI for the proper management and administration of BA or to carry out the legal responsibilities of BA, provided the disclosures are required by law, or BA obtains reasonable assurances from the person to whom the information is disclosed that the information will remain confidential and used or further disclosed only as required by law or for the purposes for which it was disclosed to the person, and the person notified BA of any instances of which it is aware in which the confidentiality of the information has been breached.
- 5) BA may provide data aggregation services related to the health care operations of CE.

4. Obligations of Business Associate.

- a. Permitted uses and disclosures: BA may only use and disclose PHI owned by the CE that it creates, receives, maintains, or transmits if the use or disclosure is in compliance with each applicable requirement of 45 C.F.R. 164.504(e) of the Privacy Rule or this BAA. The additional requirements of Subtitle D of the HITECH Act contained in Public Law 111-5 that relate to privacy and that are made applicable with respect to Covered Entities shall also be applicable to BA and are incorporated into this BAA.

To the extent that BA discloses CE’s PHI to a subcontractor, BA must obtain, prior to making any such disclosure: (1) reasonable assurances from the subcontractor that it will agree to the same restrictions, conditions, and requirements that apply to the BA with respect to such information; and (2) an agreement from the subcontractor to notify BA of any Breach of confidentiality, or security incident, within three business days of when it becomes aware of such Breach or incident.

- b. Safeguards: 45 C.F.R. 164.308 (administrative safeguards), 164.310 (physical safeguards), 164.312 (technical safeguards), and 164.316 (policies, procedures, and documentation requirements) shall apply to BA in the same manner that such sections apply to CE, and shall be implemented in accordance with HIPAA, the HITECH Act, and the Privacy and Security Rule. The additional requirements of Title XIII of the HITECH Act contained in Public Law 111-5 that relate to security and that are made applicable to Covered Entities shall also apply to BA and are incorporated into this BAA.

Unless CE agrees in writing that this requirement is infeasible with respect to certain data, BA shall secure all paper and electronic PHI by encryption or destruction such that the PHI is rendered unusable, unreadable or indecipherable to unauthorized individuals; or secure paper, film and electronic PHI in a manner that is consistent with guidance issued by the Secretary of the United States Department of Health and Human Services specifying the technologies and methodologies that render PHI unusable, unreadable or indecipherable to unauthorized individuals, including the use of standards developed under Section 3002(b)(2)(B)(vi) of the Public Health Service Act, as added by Section 13101 of the HITECH Act contained in Public Law 111-5.

BA shall not use personally owned devices to create, receive, maintain, or transmit PHI. Devices the BA uses to create, receive, maintain, or transmit CE's electronic PHI shall be owned and managed by BA or CE.

BA shall patch its operating systems and all applications within two weeks of the release of any patch. BA shall keep its antivirus and antimalware installed and active. BA shall limit its use of administrative accounts for necessary IT operations only.

- c. Reporting Unauthorized Disclosures and Breaches: During the term of this BAA, BA shall notify CE within 72 hours of discovering a Breach of security; intrusion; or unauthorized acquisition, access, use or disclosure of CE's PHI in violation of any applicable federal or state law, including security incidents. BA shall identify for the CE the individuals whose unsecured PHI has been, or is reasonably believed to have been, breached so that CE can comply with any notification requirements if necessary. BA shall also indicate whether the PHI subject to the Breach; intrusion; or unauthorized acquisition, access, use, or disclosure was encrypted or destroyed at the time. BA shall take prompt corrective action to cure any deficiencies that result in Breaches of security; intrusion; or unauthorized acquisition, access, use, and disclosure. BA shall fulfill all breach notice requirements unless CE notifies BA that CE will take over the notice requirements. BA shall reimburse CE for all costs incurred by CE that are associated with any mitigation, investigation and notice of Breach CE undertakes or provides under HIPAA, HITECH Act, and the Privacy and Security Rule as a result of a Breach of CE's PHI caused by BA or BA's subcontractor or agent.

If the unauthorized acquisition, access, use or disclosure of CE's PHI involves only Secured PHI, BA shall notify CE within 10 days of discovering the Breach but is not required to notify CE of the names of the individuals affected.

- d. BA is not an agent of CE.
- e. BA's Agents: If BA uses a subcontractor or agent to provide services under this BAA, and the subcontractor or agent creates, receives, maintains, or transmits CE's PHI, the subcontractor or agent shall sign an agreement with BA containing substantially the same provisions as this BAA and further identifying CE as a third-party beneficiary with rights of enforcement and indemnification from the

subcontractor or agent in the event of any violation of the subcontractor or agent agreement. BA shall mitigate the effects of any violation of that agreement.

- f. Availability of Information to CE: Within 15 days after the date of a written request by CE, BA shall provide any information necessary to fulfill CE's obligations to provide access to PHI under HIPAA, the HITECH Act, or the Privacy and Security Rule.
- g. Accountability of Disclosures: If BA is required by HIPAA, the HITECH Act, or the Privacy or Security Rule to document a disclosure of PHI, BA shall make that documentation. If CE is required to document a disclosure of PHI made by BA, BA shall assist CE in documenting disclosures of PHI made by BA so that CE may respond to a request for an accounting in accordance with HIPAA, the HITECH Act, and the Privacy and Security Rule. Accounting records shall include the date of the disclosure, the name and if known, the address of the recipient of the PHI, the name of the individual who is subject of the PHI, a brief description of the PHI disclosed and the purpose of the disclosure. Within 15 days of a written request by CE, BA shall make the accounting record available to CE.
- h. Amendment of PHI: Within 30 days of a written request by CE, BA shall amend PHI maintained, transmitted, created, or received by BA on behalf of CE as directed by CE when required by HIPAA, the HITECH Act or the Privacy and Security Rule, or take other measures as necessary to satisfy CE's obligations under 45 C.F.R. 164.526.
- i. Internal Practices: BA shall make its internal practices, books and records relating to the use and disclosure of CE's PHI available to CE and all appropriate federal agencies to determine CE's and BA's compliance with HIPAA, the HITECH Act and the Privacy and Security Rule.
- j. Risk Assessment: Upon agreement execution and triennially thereafter, or upon changes that occur which significantly affect the security posture of the system (whichever comes first), BA shall comply and complete CE's security assessment. Upon receipt of the security assessment, CE will review BA's responses prior to granting authority to operate, and provide any necessary instruction to ensure the confidentiality, integrity, and availability of CE's PHI. BA shall triennially, or upon changes that occur which significantly affect the security posture of the system (whichever comes first), review and update CE security assessment, as required, in order to comply with BA's current system controls. BA must provide an implementation response for each specific system control. Upon receipt of the updated assessment, CE will review the changes to the system for renewal of authority to operate.
- k. To the extent BA is to carry out one or more of CE's obligations under Subpart E of 45 C.F.R. Part 164, BA must comply with the requirements of that Subpart that apply to CE in the performance of such obligations.
- l. Audits, Inspection and Enforcement: CE may, after providing 10 days' notice to the BA, conduct an inspection of the facilities, systems, books, logs, and records of BA that relate to BA's use of CE's PHI, including inspecting logs showing the creation, modification, viewing, and deleting of PHI at BA's level. Failure by CE to inspect does not waive any rights of the CE or relieve BA of its responsibility to comply with this BAA. CE's failure to detect or failure to require remediation does not constitute acceptance of any practice or waive any rights of CE to enforce this BAA.

Notwithstanding BA's obligation to report under paragraph 3.c of this BAA, BA shall provide a monthly report to CE detailing the unauthorized, or reasonable belief of unauthorized, acquisition, access, use, or disclosure of CE's PHI, including any unauthorized creation, modification, or destruction of PHI and

unauthorized login attempts. BA shall include privileged and nonprivileged accounts in its audit and report, indicating the unique individual using the privileged account. BA shall also indicate whether CE's PHI subject to unauthorized activity was encrypted or destroyed at the time of the unauthorized activity.

BA shall provide a yearly report to CE that lists the names of all individuals with technical or physical access to CE's PHI and the scope of that access.

- m. Restrictions and Confidential Communications: Within 10 business days of notice by CE of a restriction upon use or disclosure or request for confidential communications pursuant to 45 C.F.R.164.522, BA shall restrict the use or disclosure of an individual's PHI. BA may not respond directly to an individual's request to restrict the use or disclosure of PHI or to send all communication of PHI to an alternate address. BA shall refer such requests to the CE so that the CE can coordinate and prepare a timely response to the requesting individual and provide direction to the BA.
 - n. Indemnification: BA shall indemnify and hold harmless CE for any civil or criminal monetary penalty or fine imposed on CE for acts or omissions in violation of HIPAA, the HITECH Act, or the Privacy or Security Rule that are committed by BA, a member of its workforce, its agent, or its subcontractor.
5. Obligations of CE. CE will be responsible for using legally appropriate safeguards to maintain and ensure the confidentiality, privacy and security of PHI transmitted to BA under the BAA until the PHI is received by BA. CE will not request BA to use or disclose PHI in any manner that would not be permissible under HIPAA, the HITECH Act or the Privacy and Security Rule if done by CE.
6. Termination.
- a. Breach: A breach of a material term of the BAA by BA that is not cured within a reasonable period of time will provide grounds for the immediate termination of the contract.
 - b. Reasonable Steps to Cure: In accordance with 45 C.F.R. 164.504(e)(1)(ii), CE and BA agree that, if it knows of a pattern of activity or practice of the other party that constitutes a material breach or violation of the other party's obligation under the BAA, the nonbreaching party will take reasonable steps to get the breaching party to cure the breach or end the violation and, if the steps taken are unsuccessful, terminate the BAA if feasible, and if not feasible, report the problem to the Secretary of the U.S. Department of Health and Human Services.
 - c. Effect of Termination: Upon termination of the contract, BA will, at the direction of the CE, either return or destroy all PHI received from CE or created, maintained, or transmitted on CE's behalf by BA in any form. Unless otherwise directed, BA is prohibited from retaining any copies of PHI received from CE or created, maintained, or transmitted by BA on behalf of CE. If destruction or return of PHI is not feasible, BA must continue to extend the protections of this BAA to PHI and limit the further use and disclosure of the PHI. The obligations in this BAA shall continue until all of the PHI provided by CE to BA is either destroyed or returned to CE.
7. Amendment. The parties acknowledge that state and federal laws relating to electronic data security and privacy are evolving, and that the parties may be required to further amend this BAA to ensure compliance with applicable changes in law. Upon receipt of a notification from CE that an applicable change in law

affecting this BAA has occurred, BA will promptly agree to enter into negotiations with CE to amend this BAA to ensure compliance with changes in law.

8. Ownership of PHI. For purposes of this BAA, CE owns the data that contains the PHI it transmits to BA or that BA receives, creates, maintains, or transmits on behalf of CE.
9. Litigation Assistance. Except when it would constitute a direct conflict of interest for BA, BA will make itself available to assist CE in any administrative or judicial proceeding by testifying as witness as to an alleged violation of HIPAA, the HITECH Act, the Privacy or Security Rule, or other law relating to security or privacy.
10. Regulatory References. Any reference in this BAA to federal or state law means the section that is in effect or as amended.
11. Interpretation. This BAA shall be interpreted as broadly as necessary to implement and comply with HIPAA, the HITECH Act, the Privacy and Security Rule and applicable state and federal laws. The parties agree that any ambiguity in BAA will be resolved in favor of a meaning that permits the CE to comply with and be consistent with HIPAA, the HITECH Act, and the Privacy and Security Rule. The parties further agree that where this BAA conflicts with a contemporaneously executed confidentiality agreement between the parties, this BAA controls.
12. No Private Right of Action Created. This BAA does not create any right of action or benefits for individuals whose PHI is disclosed in violation of HIPAA, the HITECH Act, the Privacy and Security Rule or other law relating to security or privacy.
13. Privacy and Security Point of Contact. All communications occurring because of this BAA shall be sent to doh.its.dso@alaska.gov in addition to the CE.

In witness thereof, the parties hereto have duly executed this BAA as of the effective date of this contract.
