### Questions submitted by potential offerors and answers from the state:

**Question 1:** Is the facility closed during the summer?

**Answer:** Typically there is a closure for annual maintenance for approximately one month – usually mid August to mid September.

---

**Question 2:** Does ADF&G provide the filters needed?

**Answer:** Yes, ADF&G will provide all filters needed for this contract.

---

**Question 3:** Does the state handle the recycling of used filters?

**Answer:** Yes, the contractor will package used filters and place in provided storage area and state will recycle them.

---

**Question 4:** Is there a specific Lead course needed?

**Answer:** The lead course taken must have lead awareness and must also cover OSHA standards under 29 CFR; Lead – 1910.1025

---
