The Purpose of this amendment is to provide questions and answers.

1. Can the department provide a map showing the stockpile location for the material under this project?

Answer: Yes, see 2024 Denali Site (Galena Airport) attachment D

2. Most DOT projects utilize the Micro Deval test instead of the degradation test for the quality of the aggregate, could the ITB be updated to allow Micro Deval?

Answer: Yes, Micro deval test will be an accepted alternative. Spec would be a maximum of 15% per test method AASHTO T327

3. Does the \$550,000.00 limit of bid only include the base option, or does it include the additive alternate as well?

Answer: Basic Bid includes additives alternates.
