From: MaryBeth Gagnon, Executive Director CDVSA *lam*

Thru: CDVSA Board of Directors

Date: May 2, 2024

Subject: Supplemental Inflation Payments to CDVSA Sub-Grantees

On May 2, 2024 CDVSA Board of Directors approved a total of \$400,000 in General Funds to be distributed as supplemental payment to sub-grantee agencies to help offset costs of fuel, utilities, insurance, food and other operational expenses that have increased due to inflation.

One award per sub-grantee will be awarded based on the number of sub-grantees and adjusted based on the Geographic Pay Differential to accommodate for the cost of living in different parts of the state.

Funds will be distributed through EFT or Warrant to sub-grantees as indicated in the attached document. All funds must be spent by June 30, 2024.

Two sub-grantees have declined funding and are not included in this formula. Please see attachments for detailed amounts by sub-grantee and formula calculation spreadsheet. Please save this memo and attachments for audit reconciliation.
