AMENDMENT NUMBER 2**

Department of Labor & Workforce Development
Division of Administrative Services, Procurement
1111 W. 8th Street, Suite 306

THIS IS NOT AN ORDER

DATE AMENDMENT ISSUED: 5/14/2024

**RFP TITLE:
ALASKA WORKFORCE CAREER NEEDS ASSESSMENT**

This amendment is being issued to respond to questions received from prospective proposers:

1. Is there an incumbent and what is the award number and value?
This is a new project.
2. Why are you looking for a new provider?
This is a new contract/project. We are looking to build off the efforts and work done last fall for a separate AWIB project and contractor.
3. Does bidder have to be located in Alaska?
No. However, reference Amendment No 1, item # 4: All vendors working on this project with the State of Alaska AWIB must have a valid Alaska Business License.
4. Can AWIB provide email addresses for businesses, regional training programs, and community organizations for the survey?
We can provide the contact information we have. However, the projects purpose is to increase outreach to regions/industries/workforce partners for which we do not already have good contact with.
5. Can any listening sessions be virtual, considering the high cost of travel to each region?
Some of the more frequented areas (i.e. railbelt, southeast) may be virtual. The other economic regions will be in-person listening sessions.
