

Notice of Public Forum Alaska Section 1332 Innovation Waiver June 28, 2024

In July of 2017, the Alaska Division of Insurance was awarded a Section 1332 Innovation Waiver under the Patient Protection and Affordable Care Act. The waiver was used to create and support the Alaska Reinsurance Program which has helped to reduce premium costs and provide stability in Alaska’s individual health care insurance market. The waiver has provided \$685 million in federal funding from 2018 through 2024. In 2022, Alaska sought and was granted a 5-year extension of the waiver. The original waiver took effect on January 1, 2018, and the extension runs until December 31, 2027.

Under the specific terms and conditions of the award, the division has scheduled its annual forum to collect meaningful public comment on the progress of the waiver. Interested parties may attend in-person or by teleconference as listed below or may submit comments in writing up to 5:00 pm Alaska Time Zone on June 28, 2024.
