Department of Health
Finance and Management Services

Alaska Early Hearing Detection and Intervention (EHDI) Program Statewide Database

RFP 2024-1600-0076

Amendment #1

May 17, 2024

This amendment is being issued to revise the deadline for receipt of proposals to **4:00 p.m. AK ST on May 28, 2024.**

It also serves to answer questions submitted by potential offerors and make material changes to the RFP. Answers to all offeror questions are attached in an Excel spreadsheet titled RFP 2024-1600-0076– Questions and Answers.

Offerors must use Submittal Form A – Offeror Information to acknowledge this amendment.

Changes to the RFP

Change 1: Section 1.03 and 1.11

Updated and revise the deadline for receipt of proposals to 4:00p.m. AK ST on May 28, 2024.

Change 2: Section 3.03

Update and revise deliverable #1 to the following:

Application hosting and data storage services in a Level IV data center (or similar with matching uptime and requirements) providing a secure, redundant environment – based in part on database size requirements.

- a) Hardware, software, and network infrastructure required to support 24/7 web-based access.
- b) Contractor and EHDl program mutually determined system upgrades, maintenance, and technical monitoring for licensed modules.
- c) Database maintenance including on-going security updates, testing, and monitoring.
- d) Disaster Recovery Plan
- e) Repairs and resolution of coding errors created as results of development.

Change 3: Section 4.04

Add “Resumes and letters of reference will not be counted toward the page limit in Section 4.02 and should be submitted as separate documents”.

Change 4: Attachment 4 – Submittal Form E

Update #15 to remove “ – define” at the end.

End of Amendment #1
