## ALASKA CRISIS CALL CENTER

RFP 2024-1600-0272

### Amendment #3

June 3, 2024

This amendment is being issued to extend the deadline for receipt of proposals until **2:00 p.m. Alaska Time on June 6, 2024**. It also serves to do two other things:

- 1) **Revise the instructions on Submittal Form F – Mandatory Requirements. The revised Submittal Form F is posted along with the RFP within the RFP 2024-1600-0272 – Submittal Forms A-G document.**
- 2) **Align the page limits identified in RFP Section 4.02 with the page limits identified on the actual Submittal Forms. Note: this means the page limit for Submittal Form B is in fact 10 pages and the page limit for Submittal Form D is increased to 10 pages.**

Please note that any proposal submitted by the above deadline will replace any previously submitted proposal.

Offerors must use Submittal Form A – Offeror Information to acknowledge this amendment.
