

ADDITIONAL REGULATION NOTICE INFORMATION  
(AS 44.62.190(d))

1. Adopting agency: Commercial Fisheries Entry Commission
2. General subject of regulation: Prince William Sound shrimp pot fishery.
3. Citation of regulation (may be grouped): 20 AAC 05.310(i), 05.320(h), 05.330(z), 05.837 - 05.841.
4. Department of Law file number, if any: 2024200104
5. Reason for the proposed action:

( ) Compliance with federal law or action (identify):

( ) Compliance with new or changed state statute

( ) Compliance with federal or state court decision (identify):\_\_

( ) Development of program standards

( X ) Other (identify): The Commission has decided that the Prince William Sound shrimp pot fishery has reached levels of participation that require limitation in order to assure conservation and sustained yield management of the fishery resource in accordance with the Limited Entry Act and AS 16.43.100

6. Appropriation/Allocation: Not applicable.

7. Estimated annual cost to comply with the proposed action to:

A private person: Permit holders will have to pay an annual fee, calculated via the method described in 20 AAC 05.245.

Another state agency: Unknown – the only other affected state agency will be Fish & Game.

A municipality: Not applicable.

8. Cost of implementation to the state agency and available funding (in thousands of dollars):

There will be no cost for implementation for the CFEC. The commission already manages the limitation of other fisheries and therefore has a management system in existence and staff trained to process applications for entry into the fishery.

9. The name of the contact person for the regulation:

Name: Glenn Haight

Title: Commissioner, CEFC

Address: P.O Box 110302
