Question #1

Are there any other documents available for MS 65-9-029-2 for Dalton MP 64 (Shooting Range) – such as a BLM Free Use Permit? (Amendment #3 question 4)

Answer #1:

Currently we do not have a BLM Free Use Permit (FUP), but expect it soon. Please see attachment #4 MS 65-9-029-2 Material Site Inspection Report and Material Site Inspection form.

Question #2

Please confirm that emailed bids will not be accepted given a copy of the cashier's check is not acceptable (Per answer to question #5 – Addendum #3)

Answer #2 – Correction to answer provided with Amendment #5.

Emailed bid submission is acceptable. However in order for an electronically submitted bid to be considered responsive, bidders that submit their bid by email must also submit the bid guarantee in the form of a Certified or Cashier's check in the amount of \$5,000.00 made payable to the State of Alaska in an authentic and valid check form, to the Procurement Officer on record, prior to the time and date set for bid opening. An electronic copy of the bid guarantee submitted with the electronic bid submission is not acceptable to meet this requirement. Failure to submit a bid guarantee in the proper form and amount, by the date and time set for opening of bids, will cause the State to determine the bid non-responsive and reject the bid.
