Our file: 2023200436

Dear Lieutenant Governor Dahlstrom:

The Department of Law has reviewed the attached regulations of the Department of Health against the statutory standards of the Administrative Procedure Act. Based upon our review, we find no legal problems. This letter constitutes the written statement of approval under AS 44.62.060(b) and (c) that authorizes your office to file the attached regulations. The regulations were adopted by the Department of Health after the close of the public comment period.

The regulations concern general relief medical support for senior and disability services and assisted living care.

The December 11, 2023 public notice and the June 10, 2024 adoption order both state that this action is not expected to require an increased appropriation. Therefore, a fiscal note under AS 44.62.060 is not required.

No technical corrections were necessary to conform the regulations in accordance with AS 44.62.060.

Sincerely,

TREG TAYLOR  
ATTORNEY GENERAL
