Provide answers to questions received:

Question #1 . MS 62-1-168-2 (Alaska Hwy 1250) is shown on the Tok District Stockpiling Site Map as one of the sites included in this ITB, but there is no reference of it anywhere in the ITB other than a couple of site maps (attachment #4). Should this site be included on the Bid Schedule.

Answer #1 MS 62-1-168-2 (Alaska Hwy 1250) Site is not part of this project and will not be include on the bid schedule.

Question #2 ADLs included in Attachment #4 (ADL 420981 & ADL 419839) appear to have expired in 2023. Are there updated ADL's to take their place?

Answer #2

Yes, Updated copies of ADL 422272 and ADL 422270 (see attachment #10) ADL 419839 is pending.

Question #3

Completion date for Taylor Hwy MP 96 states 9/30/24 in the ITB and on the Bid Schedule, however states 9/1/24 in Attachment #2 – please confirm correct completion date.

Answer #3 9/30 is correct.

Question #4 Completion date for Denali Hwy MP 0.3 states 9/30/24 in the ITB and on the Bid Schedule, however states 6/15/24 in Attachment #3 – please confirm correct completion date.

Answer to #4 9/30 is correct.

Question #5 Completion date for Tok Cutoff MP 60 states 7/30/24 in the ITB and on the Bid Schedule, however states 7/1 in Attachment #3 – even if the completion date should be 7/30 – this does not seem reasonable if contract isn't awarded until 7/22. Please confirm completion date.

Answer #5 Revised due date is 8/15 revised bid schedule attached attachment number #10.

Question #6 Denali Hwy MP 0.3 – ITB states there is currently an existing pile of **borrow** material that needs separated prior to processing. Are there any detailed pictures of existing pile? What is estimated size (in CY) and overall composition of this pile? Is it anticipated that there is enough material to produce the 1500+ CY E-Chips?

Answer #6 Two pictures attached. Estimated quantity is 2,500 CY. If there is insufficient quantity, we will revisit this, as necessary. (see attachment #10)

It is the offeror's responsibility to call 907 451-3117 or (907) 451-2222 to confirm that the bid has been received. The state is not responsible for unreadable, corrupt, or missing attachments.
