Re: *12 AAC 40.010 - .050: State Medical Board - Update regulations for
practice and licensure*

Our file: 2024200012

Dear Lieutenant Governor Dahlstrom:

The Department of Law has reviewed the attached regulations of the State Medical Board against the statutory standards of the Administrative Procedure Act. Based upon our review, we find no legal problems. This letter constitutes the written statement of approval under AS 44.62.060(b) and (c) that authorizes your office to file the attached regulations. The regulations were adopted by the State Medical Board after the close of the public comment period.

The regulations update and streamline requirements for practice and licensure and clean up redundant requirements for licensure of physicians.

The May 9, 2024 public notice and the July 22, 2024 certification of adoption order both state that this action is not expected to require an increased appropriation. Therefore, a fiscal note under AS 44.62.060 is not required.

We have made some technical corrections to conform the regulations in accordance with AS 44.62.060. The corrections are incorporated into the attached copy of the regulations.

Sincerely,

TREG TAYLOR
ATTORNEY GENERAL
