RE: ADDENDUM NO. 03 TO REQUEST
FOR PROPOSALS (RFP) PACKAGE:

25253002

SFHWHY00608; Cold Bay (CDB) Dock Replacement- Design and Environmental Services

EMAIL TO: All RFP recipients on record.

The RFP Package is hereby clarified or changed as follows:

1. The proposal due date remains unchanged.
2. This Addendum rescinds Addendum- 2: The design or environmental efforts related to replacement of the bulk fuel system and fuel lines remain included.
3. Proposer Questions & Answers:

Q1: Moffat Nichol completed a detailed planning and feasibility study on the Cold Bay dock in April of 2023. Given their involvement on the project, are they precluded from proposing on the design work under this RFP?

A1: [2 AAC 12.020](#) states “[Exclusion of prospective contractor from competition](#). A procurement officer may exclude a prospective contractor from submitting a bid or proposal, or may reject a prospective contractor's bid or proposal, after making a written determination that the prospective contractor assisted in drafting the invitation to bid or request for proposal, or gained substantial information regarding the invitation to bid or request for proposal that was not available to the public.”

Moffat & Nichol did not assist with creation of the Invitation To Bid (ITB) or the Request For Proposals (RFP), and the prior design options they developed are included in the RFP as attachments. They do not possess any special prior knowledge that others do not pertaining to this project. This project is a new effort that will build on previous studies. Therefore, they are not precluded from submitting a proposal to this RFP.

All other terms and conditions remain the same.
