SECTION 1. INTRODUCTION & INSTRUCTIONS

SEC. 1.01 PURPOSE OF THE ITB

The Department of Fish & Game, Division of Administrative Services is soliciting bids for 2024 Test-fishery harvest and purchase of Bristol Bay red king crab for the Alaska department of fish & Game (ADF&G) Crab observer and research program.

SEC. 1.02 BUDGET

ADF&G's revenue goal is \$1,300,000 for this contract. Bids will be taken based on price/pound of live crab to achieve the revenue goal of \$1,300,000.

SEC. 1.03 DEADLINE FOR RECEIPT OF BIDS

Bids must be received no later than September 17th, 2024, at 2:00 PM AKST, at which time they will be publicly opened. Late bids or amendments will be considered non-responsive and will not be opened or accepted for evaluation.

SEC. 1.04 PRIOR EXPERIENCE AND BIDDER QUALIFICATIONS – (REQUIREMENTS)

The contractor must be fully licensed to process crab in the State of Alaska at the time a bid is tendered. In addition to possession of a valid 2024 Alaska Business License, the contractor must at least possess a valid 2024 Alaska Seafood Processor and Exporter License and Permit, consisting of an Alaska Department of Environmental Conservation Seafood Processing Permit, Alaska Department of Revenue License, and an Alaska Department of Fish and Game Intent to Operate. It is the contractor's responsibility to obtain all other state and federal permits and licenses necessary to operate a seafood processing facility in the State of Alaska. The contractor, upon request, must furnish copies of all applicable permits and licenses to the State.

PROOF OF FINANCIAL SECURITY: Prior to bid award, the contractor will submit proof of financial security for the purposes of this contract satisfactory to the Division of Risk Management, Department of Administration. Financial security may be demonstrated by one or more of the following:

- a. Prepayment to the State in the amount of \$1,300,000;
- b. Letter of Credit (LOC) in the amount of \$1,300,000;
- c. Time Certificate of Deposit in the amount of \$1,300,000;

The name and address of all parties (bonding companies, financial institutions, etc.) underwriting the bidder for the purpose of this contract must be furnished to the Contracting Officer within 10 days after the bid offers are opened and analyzed by the Contracting Officer. Secured bonds that do not provide for a 30-day prior notice of cancellation, non-renewal or material change in such credit will not be accepted. Failure to supply satisfactory proof of bonding within the time required will cause the State to declare the bidder non-responsive and reject the bid.

SEC. 1.05 REQUIRED REVIEW

Bidders shall carefully review this ITB for defects and questionable or objectionable material. Comments concerning defects and questionable or objectionable material in the ITB should be made in writing and received by the procurement officer at least ten days before the deadline for receipt of bids. This will allow time for an amendment to be issued if one is required. It will also help prevent the opening of a defective bid, upon which award cannot be made, and the resultant exposure of bidders' prices.

SEC. 1.06 QUESTIONS PRIOR TO DEADLINE FOR RECEIPT OF BIDS

All questions must be in writing and directed to the procurement officer. The interested party must confirm telephone conversations in writing. Two types of questions generally arise. One may be answered by directing the questioner to a specific section of the ITB. These questions may be answered over the telephone. Other questions may be more complex and may require a written amendment to the ITB. The procurement officer will make that decision.

 - v. Cost recovery vessels transitioning between test fishing and an IFQ/CDQ fishery may not register at sea. Cost recovery vessels, may however, transition between a cost recovery fishery and an IFQ/CDQ fishery on, or after, October 15 at 12:00 noon, with cost recovery crab onboard, as follows:

If, for any reason, the lowest contractor is not available to perform the needed service, the state will contact the next lowest priced contractor for that location. This process will continue until a contractor who can perform the service is located. The location of the contractor initially contacted will be determined by the starting location of the call-out. A copy of the Notice of Intent will be sent to each company or person who responded to the ITB. Bidders identified as the apparent low responsive bidders are instructed not to proceed until a Purchase Order, Contract Award, Lease, or some other form of written notice is given by the procurement officer. Failure to provide such specifications and descriptive literature may be cause for rejection of the offer.

The Office of Procurement and Property Management (OPPM), or their designee recognizes that some information a bidder submits might be confidential under the United States or the State of Alaska Constitution, a federal statute or regulation, or a State of Alaska statute: i.e., might be confidential business information (CBI). *See, e.g.*, article 1, section 1 of the Alaska Constitution; AS 45.50.910 – 45.50.945 (the Alaska Uniform Trade Secrets Act); *DNR v. If the bidder does not do these things, the information will become public after the Notice of Intent to Award is issued.
