Re: Amendment 1
ITB 25-VSW-PBV-006
Saint George Water Storage Tank Replacement
ITB Due Date: September 25, 2024 @ 2:00 PM AST

The following changes are required:

1. The original ITB drawings and specifications were outdated versions. Bidders must contact the procurement officer to receive the below updated attachments. The original permit attachment in the ITB is correct.
 - 240430 PBV St George WST specs binder with TOC
 - 240430_PBV St George Water Storage Tank - Final 100% IFC reduced
