

**STATE OF ALASKA ITB NUMBER 2525C025
AMENDMENT NUMBER ONE (1)**

Department of Transportation & Public Facilities
Division of Supply & Services
2200 E. 42nd Avenue
Anchorage, AK 99508

THIS IS NOT AN ORDER

DATE AMENDMENT ISSUED: September 11, 2024

ITB TITLE: Winter Maintenance Roads & Sidewalks - Anchorage-Matsu-Kenai Peninsula

INFORMATIONAL AMENDMENT

ITB OPENING DATE & TIME: **September 17, 2024 @ 2:00pm Alaska Time**

THIS AMENDMENT SERVES TO: Answer questions/suggestion from a concerned citizen:

- **QUESTION:** *"I am hoping you can add an addendum to clarify on page 9, regarding Deliverable #1 Plowing Services, that "other features not to be adversely impacted" include sidewalks and pathways. In other words, the contractor will be expected not to plow road snow onto sidewalks and pathways. The sentence currently reads, "Driveways, bus stops, mailboxes, signage, lighting, fences, guardrail, and other features shall not be adversely impacted as a result of routine plowing services."?"*
- **ANSWER:** Thank you for the comment. Plowing snow from the streets onto the local sidewalks is and has been (for many years) a common practice of M&O in order to create efficient and safe driving lanes for the driving public. Not to diminish the importance of sidewalk and pathway users, but during such instances M&O makes a concerted effort to remove snow on adjacent sidewalks / pathways as soon as possible. Please note that included in this solicitation is a lot for plowing of snow from Anchorage sidewalks / pathways. This work would be in addition to M&O forces already doing similar work.
