Term requested and rationale: -

Are you applying for a public or a private easement? (check one) Rationale:

Construction Permit

Development plan summary/specific purpose of easement: (e.g., electric utility, fiber-optic cable, road, bridge, airstrip/airport, driveway, trail, drainage). This information will be used to determine the scope of use of the easement.
existing Trail relocation

Is this an existing use? Yes No. If yes, explain extent and duration of use to date:

Multi-use Trail, Predomintely winter use for snowmachines, dog sled teams and multi-use.

Describe plans for initial construction. Be detailed. Include a list of authorizations for portions of the project that are proposed for construction on adjoining lands, other permitting, and/or third-party non-objections: (Use extra sheets as needed)

To relocate the existing multi-use Corral Hill Trail away from the eroding embankment. Proposed move of the trail to the south of the existing trail in a section of the location area N1/2 of Section 29, T019, R005, Seward Maridian. Between the approx East weyponit orf N61.71612 W150.22043 and the West Weyponit N61.71469 W150.23410

See also Attachment CH-Relocate_GPS

Proposed Scope of work to include tree clearing.

Proposed Equipment would be: Forestry Skid-steer, Excavator or similar construction equipment that would remove and/or mulch the trail relocate area.

Anticipated construction timeframe: April 30, 2026

If this authorization is granted, I agree to construct and maintain the authorized improvements in an acceptable manner, and to keep the area in a neat and sanitary condition; to comply with all the laws, rules, and regulations pertaining thereto; and provided further that upon termination of the easement for which application is being made, I agree to remove or relocate the improvements and restore the area without cost to the State and to the satisfaction of DMLW.

Applicant's Signature

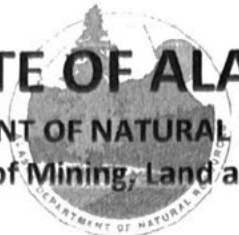

Date: 3/26/24

This form must be filled out completely and submitted with the applicable fees. Failure to do so will result in a delay in processing. AS 38.05.035(a) authorizes the director to decide what information is needed to process an application for the sale or use of state land and resources. This information is made a part of the state public land records and becomes public information under AS 40.25.110 and 40.25.120 (unless the information qualifies for confidentiality under AS 38.05.035(a)(8) and confidentiality is requested, AS 43.05.230, or AS 45.48). Public information is open to inspection by you or any member of the public. A person who is the subject of the information may challenge its accuracy or completeness under AS 44.99.310, by giving a written description of the challenged information, the changes needed to correct it, and a name and address where the person can be reached. False statements made in an application for a benefit are punishable under AS 11.56.210.

In submitting this form, the applicant certifies that he or she has not changed the original text of the form or any attached documents provided by the Division. In submitting this form, the applicant agrees with the Department to use "electronic" means to conduct "transactions" (as those terms are used in the Uniform Electronic Transactions Act, AS 09.80.010 – AS 09.80.195) that relate to this form and that the Department need not retain the original paper form of this record: the department may retain this record as an electronic record and destroy the original.

APPLICANT ENVIRONMENTAL RISK QUESTIONNAIRE

The purpose of this questionnaire is to help clarify the types of activities you propose to undertake. The questions are meant to help identify the level of environmental risk that may be associated with the proposed activity. The Division of Mining, Land and Water's evaluation of environmental risk for the proposed activity does not imply that the parcel or the proposed activity is an environmental risk from the presence or use of hazardous substances.

Through this analysis, you may become aware of environmental risks that you did not know about. If so, you may want to consult with an environmental engineer or an attorney.

Willow Trail Committee	WACO- Willow Area Community Organization

[REDACTED]	Ak 99688
[REDACTED]	State Zip

Describe the proposed activity:

Relocate a section of the current Corral Hill Trail. Approximately .5 mile of the trail is near the eroding embankment. We wish to move the trail away from the eroding embankment. Approximately 16' tree clearing to establish a future 12' wide trail that will connect with the existing Corral Hill Trail. This trail is a widely used winter snowmachine, Dog Sled, and multi-use trail.

In the course of your proposed activity will you generate, use, store, transport, dispose of, or otherwise come in contact with toxic and/or hazardous materials, and/or hydrocarbons? Yes No. If yes, please list the substances and the associated quantities. Use a separate sheet of paper, if necessary.

If the proposed activities involve any storage tanks, either above or below ground, address the following questions for each tank. Please use a separate sheet of paper, if necessary, and, where appropriate, include maps or plats:

a. Where will the tank be located?
NA

b. What will be stored in the tank?
NA

c. What will be the tank's size in gallons? NA

d. What will the tank be used for? (Commercial or residential purposes?)
NA

e. Will the tank be tested for leaks? NA

f. Will the tank be equipped with leak detection devices? Yes No. If yes, describe:
NA

Do you know or have any reason to suspect that the site may have been previously contaminated? Yes No.
If yes, please explain:

I certify that due diligence has been exercised and proper inquiries made in completing this questionnaire, and that the foregoing is true and correct to the best of my knowledge.
