

Public Notice

For FY2025 Recreational Trails Program Safety & Education Grant Application

Updating Signs at Willow Creek Campground

In the summer of 2025, Alaska State Parks proposes to update signage at the Willow Creek Campground with safety information, new interpretive panels, and spiff up the existing sign kiosks with fresh paint, etc.

We also hope to receive enough funding to add a bear-proof food container for campers' use.

Have a comment? Please send it to sarana.schell@alaska.gov, call 907-269-8746,

or mail it to:

Sarana Schell

550 W. 7th Ave. Ste. 1340

Anchorage, AK 99501

Deadline for public comment: Oct. 31, 2024

Alaska Recreational Trails Program is the funding agency for this proposed project.
