Requesting Input on a Proposed Relinquishment of State Entitlement Lands

Comment Period Ends 3:30 PM, October 25, 2024

The Department of Natural Resources (DNR) is proposing to relinquish the State's entitlement land selection of the surface estate, sand, and gravel while retaining oil, gas, and mineral interests on those lands including approximately 160 acres south of the Kuskokwim River, in Section 25, Township 17 North, Range 53 West, Seward Meridian, Alaska. A location map is available with this notice. The lands are not currently owned by the State, they are under Federal management and ownership. The purpose of relinquishment is to facilitate conveyance of Dingell Act allotment application #AA-97996.

The 2019 John D. Dingell, Jr. Conservation, Management, and Recreation Act (Dingell Act) (Pub. L. 116-9) provides that eligible Alaska Native Vietnam Veterans may apply for allotments of up to 160 acres of land from vacant, unappropriated, and unreserved land that the State has selected pursuant to 6(b) of the Alaska Statehood Act, and that the State agrees to voluntarily relinquish. In accordance with the Act, the State is considering relinquishing the surface estate identified above.

Alaska Statute (AS) 38.05.035 allows for disposals of interests in state lands, and AS 38.05.945 provides procedures for notice of those disposals.
