

RECREATIONAL TRAILS PROGRAM GRANT APPLICATION
PUBLIC NOTICE

Project Title: Service Singletrack: Phase 2

Organization Name: Singletrack Advocates

Date Public Notice Posted: Friday, September 27,2024

Brief Description of Proposed Project: The Service Singletrack: Phase 2 project would complete the construction of the remaining 3 miles of the 5.5-mile Service Singletrack project. Approximately 2.5 miles of trail were built between fall 2023 and summer 2024, and the remaining 3 miles of trail have been designed and laid out . The completion of this project would result in a 5.5-mile singletrack trail designed for beginner and youth mountain bike riders while providing additional access points to the popular and sometimes congested Hillside trail network. STA hired a professional trail builder to build the 5.5-mile Service Singletrack trail that connects the expansive multi-use trail network accessed by the parking lots at Service High School, Abbott Road, Hilltop ski area, and Chugach State Park.
