The following questions are here presented and answered:

Question 1: First, are there any floor plans available for this project?

Answer 1: Please see floor plan on the following page.

Question 2: Second, what was the reason for the extension for the deadline to submit bids?

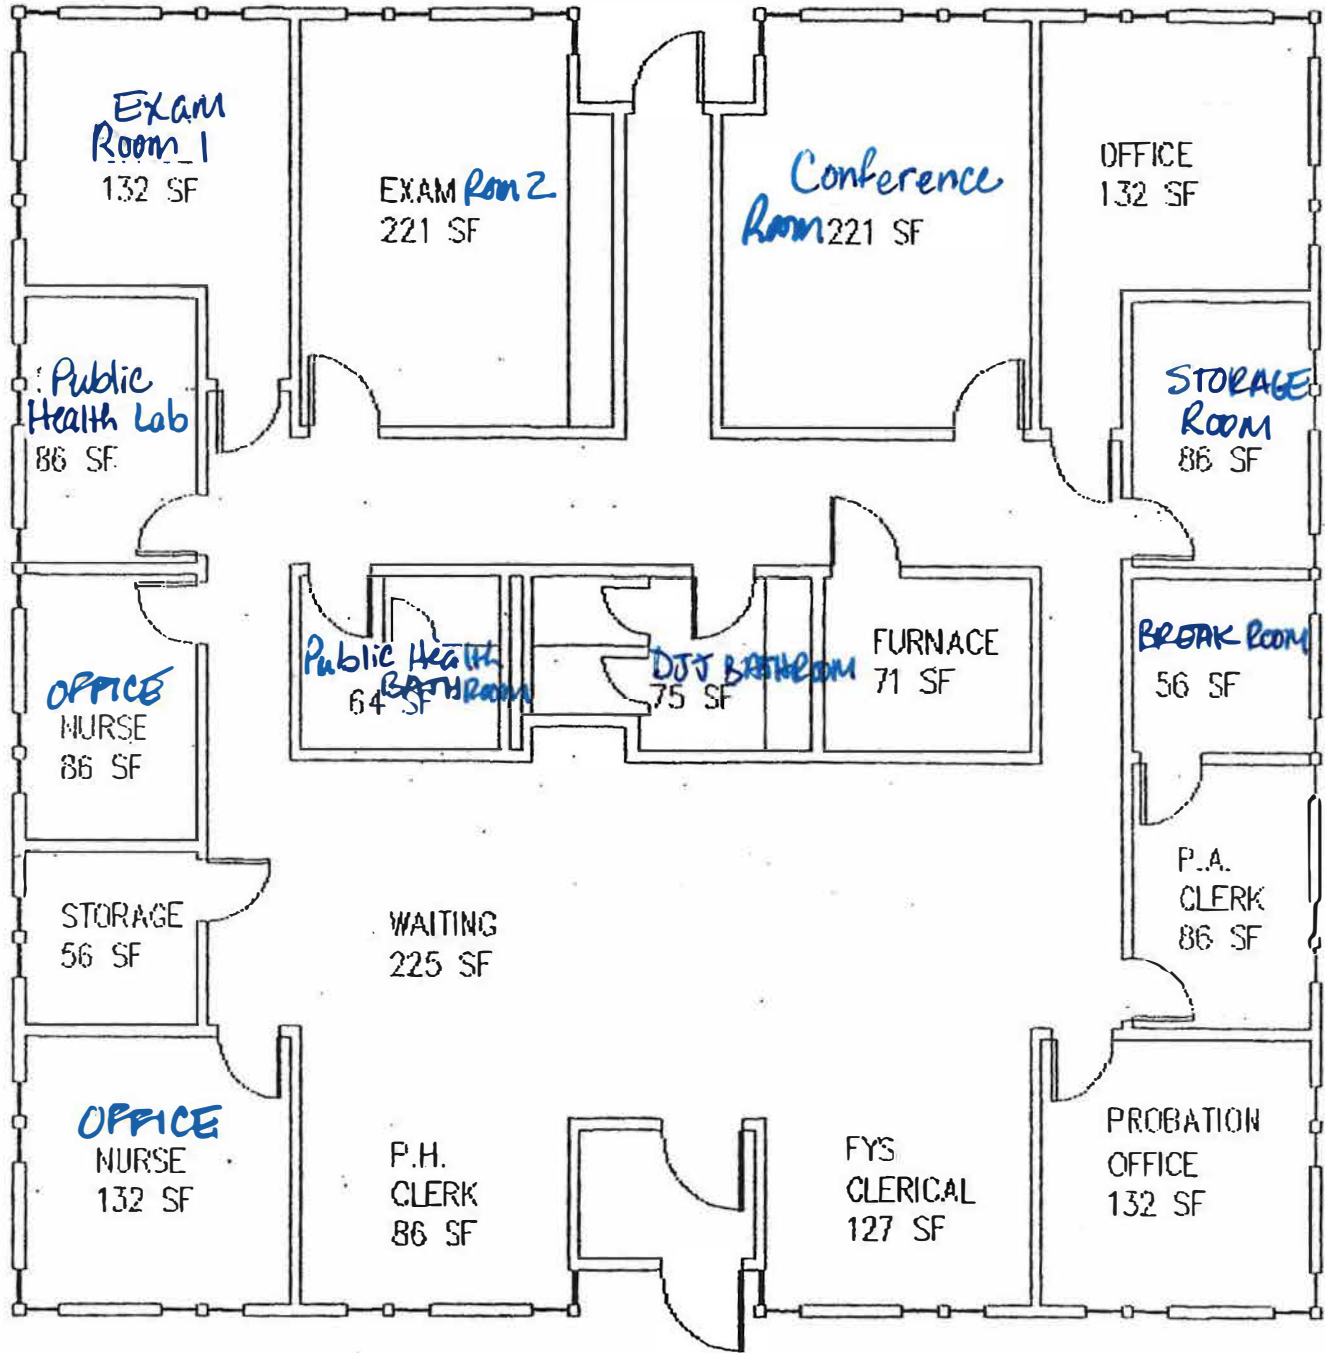

Answer 2: There have been no extensions for the deadline to submit proposals for [this posting of RFP 2024-1600-0345/1624-084](#). However, the solicitation is reposted because during the time of the original posting, there was a 2-week + internet outage in Sitka that precluded potential offerors' ability to submit proposals.

Question 3: Did you receive bids in the prior request for services?

Answer 3: The original posting closed without award. See Answer 2 above.

Question 4: And lastly, will you please confirm the estimated budget for this project?

Answer 4: Reference RFP Section 1.02 – Budget.
