RE: ADDENDUM NO. 01 TO REQUEST  
FOR PROPOSALS (RFP) PACKAGE:

25243040  
SFAPT00563; King Salmon Airport Apron & Taxiway Rehabilitation- Design Services

EMAIL TO: All RFP recipients on record.

The RFP Package is hereby clarified or changed as follows:

1. The proposal due date remains unchanged.
2. Proposer Questions & Answers:

Q1: Appendix B2, page , Schedule – please clarify if the department requires a schedule as part of the proposal. If yes, please describe the type of schedule i.e. milestone, CPM, etc..

A1: The RFP does not specifically require a schedule. However, under rating criterion “Objectives and Services” we require that the expressed or implied schedules are attainable/economically feasible. It’s up to the consultant proposing on the project to determine how they would like to answer this requirement.

Q2: Appendix B2, page 2, 3<sup>rd</sup> Paragraph –“ ....rehabilitate pavement for Taxiways A, D, G.....south side of Taxiway A ....Air Carrier aprons.”

- Is all of Taxiway A included in the pavement rehab or only the south half?
- Does the term “air carrier aprons” include the Cargo or Transient apron?
- Taxiway B is not mentioned under pavement rehabilitation. Should it be included?

A2: Currently, the scope only includes the south side of Taxiway A. The exact limits of the rehabilitation will be confirmed through NTP 1 which will include a site visit and meetings with stakeholders.

The term air carrier apron refers to the terminal apron.

Currently, the scope of the project does not include Taxiway B rehabilitation. However, this will be looked at during the site visit.

Q3: Does the western portion of TW C stop just east of TW D?

A3: The western portion of Taxiway C stops at the intersection with Taxiway D.

All other terms and conditions remain the same.

END OF ADDENDUM

We appreciate your participation in this solicitation.

Sincerely,

A handwritten signature in blue ink that reads "Jessica Piukala". The signature is written in a cursive, flowing style.

Jessica Piukala
