

## LAND USE PERMIT APPLICATION SUPPLEMENTAL QUESTIONNAIRE FOR: Use of State-Owned Uplands

To be completed to provide more detailed information about projects or activities requiring the use of state-owned uplands. All site development details identified in this section must be represented graphically in the scaled drawings on Page 6 of the supplement.

### Temporary Structures

**1)** Describe all temporary improvements (including buildings, tent platforms, out-buildings, docks, floats, and floating facilities), including dimensions and building materials. **2)** Label improvements to be maintained on a year round basis as year round. **Note:** Seasonal improvements must be completely dismantled and removed or stored on or before the end of authorized terms of use.

2025: One yurt (for a 16' yurt) with deck extending 8' from the front door. Stairs will lead down to a lower deck platform that is 12'x12' with a 4 person hot tub set into a 6'x6' deck. The storage shed will be about 50' from the yurt and platforms, it will be 16'x12'.

2026-2030: The hope would be to put up to 4 yurts MAX on the land with platforms and small decks. A sauna may be placed on the property in 2028.

Distance structures including pit privies will be located from the ordinary highwater mark of the nearest freshwater body (lake, stream, river, etc.), or the mean high water mark of a saltwater body: 200 ft

---

### Harvest of Non-Timber Related Forest Products

Please list the type and quantity of each non-timber related forest product (berries, ferns, willow, mushrooms, birch bark, etc.) to be harvested for commercial use:

Nothing will be harvested for commercial use.

Contact the DNR Division of Forestry to obtain authorizations for the harvest of small trees.

---

### Motorized Equipment

List mechanized/motorized equipment to be used, including type, size, purpose, and number of each.

For stream and waterbody crossings, note who you contacted in the ADF&G, Division of Habitat:

Date: \_\_\_\_\_ Person: \_\_\_\_\_

---

LAS # \_\_\_\_\_

## Storage and Parking

If you plan to store items or park boats, vehicles and/or heavy equipment on the site, complete the following:

Describe and give dimensions of long term and short-term parking and or storage areas:

No large equipment will be stored on site after the initial construction of the yurt platforms and out buildings.

Is parking and storage planned to take place on filled tidelands? **Yes** ☐ **No** ☒

Does storage involve structures or materials floating in a waterbody? **Yes** ☐ **No** ☒

If yes, please complete the Supplemental Questionnaire for the Use of State-Owned Waters (Shorelands, Tidelands & Submerged Lands).

Number of disassembled tent frames \_\_\_\_\_ Number of tent platforms \_\_\_\_\_

List and describe items that are large and difficult to transport. Include dimensions:

Will barrel(s) or an equivalent type of container be used? **Yes** ☐ **No** ☒

If using something other than barrels for storage containers, describe the alternative container.

Describe any measures you plan to take to minimize drips or spills from leaking vehicles or equipment.

---

LAS # \_\_\_\_\_

## Water / Wastewater

**Water Supply:** Describe the water supply and proposed use.

Water will be collected with a rain catchment system and a small amount from the lagoon itself.

**Wastewater:** Describe the wastewater type and quantity and proposed method of wastewater disposal: (for the marine environment, also describe the proposed gray and black water systems or outfall pipeline).

Gray water will be filtered and discharged back into the lagoon. No harsh chemicals or surfactants will be used with the treatment of water.

Black water will be contained to the pit privy.

**Waste:** Describe the types of waste that will be generated on-site, including solid waste, the source of the waste, and the method of waste disposal, i.e. pit privy, or self-contained system, or outfall line; indicate distance from the nearest waterbody.

Human waste will be disposed of in a pit privy, 300ft from the lagoon in order to leave the 4 vertical separation between the waste and that watertable.

---

## Animal Use

Will there be any use of animals (horses, llamas, dogs, etc.)? **Yes** ☐ **No** ☒

Will there be commercial use of the animals (horseback rides, packing, dog sled rides, etc.)? **Yes** ☐ **No** ☒

If yes, please explain:

---

## Dismantle, Removal, Restoration Plan

Provide a plan for dismantling and removing temporary structures. Include method and timeline for total site restoration:

Yurts will be collapsed and stored in shed for the winter. Vegetation will naturally reestablish themselves over the course of couple of years. If needed to encourage growth we would spread native seeds to the area.

---

## Short Term (Portable) Commercial Recreation Camps

Identify commercial recreation activity/activities for which short term (portable) camps will be established to accommodate employees and clients, and provide a general description of the location(s) (e.g. guide use area, game management sub-unit, river, stream, lake, etc.) where the recreational activity/activities and short term (portable) camp use will occur.

☐ **Big Game Guiding (List up to 3 Guide Use Areas).**

☐ **Sportfishing (List river corridors, lakes, etc.).**

☐ **Boating/Rafting/Kayaking (List river corridors, lakes, etc.).**

☐ **Other Recreation (Type and general geographic description).**

**Identify any State of Alaska Refuge, Sanctuary and/or Critical Habitat Area where short term (portable) camps will be used.**

Will activities include “day use” of state land managed under the Haines State Forest Management Plan? **Yes** ☐ **No** ☐

---

**This form must be filled out completely and submitted with the applicable fees. Failure to do so will result in a delay in processing your permit. AS 38.05.035(a) authorizes the director to decide what information is needed to process an application for the sale or use of state land and resources. This information is made a part of the state public land records and becomes public information under AS 40.25.110 and 40.25.120 (unless the information qualifies for confidentiality under AS 38.05.035(a)(8) and confidentiality is requested or AS 45.48). Public information is open to inspection by you or any member of the public. A person who is the subject of the information may challenge its accuracy or completeness under AS 40.25.310, by giving a written description of the challenged information, the changes needed to correct it, and a name and address where the person can be reached. False statements made in an application for a benefit are punishable under AS 11.56.210.**

**In submitting this form, the applicant certifies that he or she has not changed the original text of the form or any attached documents provided by the Division. In submitting this form, the applicant agrees with the Department to use “electronic” means to conduct “transactions” (as those terms are used in the Uniform Electronic Transactions Act, AS 09.80.010 – AS 09.80.195) that relate to this form and that the Department need not retain the original paper form of this record: the department may retain this record as an electronic record and destroy the original.**
