**Determination on Proposed Grants of Executive Clemency
Under AS 39.52.225**

On November 8, 2024, Governor Dunleavy disclosed in writing that he reviewed an application for executive clemency from Mr. Richard A. Vicknair and that granting Mr. Vicknair's request for clemency would not benefit a personal or financial interest.

I reviewed Governor Dunleavy's disclosure as required by AS 39.52.225, and I have determined that granting executive clemency to Mr. Vicknair would not result in a violation of the Executive Branch Ethics Act, AS 39.52.110-39.52.190.
