MEMORANDUM FOR RECORD

December 12, 2024

SUBJECT: Memorandum for Record (MFR) AAC-RFP-24-007 PSCA Environmental Assessment Proposal Deadline Extension

REFERENCE:

(a) AAC-RFP-24-018 3.6m Antenna

I, in my capacity as Contracts Specialist, establish this Memorandum for Record (MFR) to recommend the extension of the deadline for proposals from January 7 2025 to January 14, 2025,. The extension is being completed due to the holidays limiting offerors from providing complete proposals; and therefore, is the most advantageous to Alaska Aerospace Corporation (AAC).
