INTRODUCTION & INSTRUCTIONS

SEC. 1.01 PURPOSE OF THE RFP

The Department of Health, Division of Public Health, Physical Activity & Nutrition (PAN) Unit, is seeking proposals from qualified service providers to either implement or expand, monitor, enhance, and sustain the Alaska Community-Based Lactation Counselor (CBLC) Program in rural Alaskan communities. The selected service provider will collaborate with local community partners throughout the implementation or expansion process; educate, recruit, and support Certified Lactation Breastfeeding Counselors (CLBCs); organize culturally relevant lactation consulting training as necessary; and work towards integrating trained CLBCs into existing systems to ensure the sustainability of the program.

SEC. 1.02 BUDGET

Department of Health, Division of Public Health, estimates a total budget of **\$900,000.00** dollars for the completion of this project, approximately **\$100,000.00** per year. Proposals priced at more than **\$900,000.00** will be considered non-responsive.

Payment for the contract is subject to funds already appropriated and identified.

SEC. 1.03 DEADLINE FOR RECEIPT OF PROPOSALS

Proposals must be received no later than **2:00PM** prevailing Alaska Time on January 08, 2025, as indicated by postmark or email timestamp and late proposals will not be considered.

SEC. 1.04 PRIOR EXPERIENCE

In order for offers to be considered responsive offerors must meet these minimum prior experience requirements:

- The offeror must have one (1) year in the last three (3) of experience successfully implementing at least one peer-to-peer lactation support program in rural Alaska.
- The offeror must have one (1) year in the last three (3) of experience working in the rural Alaska.

An offeror's failure to meet these minimum prior experience requirements will cause their proposal to be considered non-responsive and rejected.

SEC. 1.05 REQUIRED REVIEW

Offerors shall carefully review this solicitation for defects and questionable or objectionable material. Comments concerning defects and questionable or objectionable material must be made in writing and received by the procurement officer at least ten days before the deadline for receipt of proposals. This will allow time for the issuance of any necessary amendments. It will also help prevent the opening of a defective proposal and exposure of offeror's proposals upon which award could not be made.

SEC. 1.06 QUESTIONS PRIOR TO DEADLINE FOR RECEIPT OF PROPOSALS

All questions must be in writing and directed to the procurement officer. The interested party must confirm telephone conversations in writing.

Two types of questions generally arise. One may be answered by directing the questioner to a specific section of the RFP. These questions may be answered over the telephone. Other questions may be more complex and may require a written amendment to the RFP. The procurement officer will make that decision.

CONTRACTING OFFICER: Rick Cottrell – PHONE 907-746-2281– rick.cottrell@alaska.gov

SEC. 1.07 RETURN INSTRUCTIONS

Offerors must submit their proposals via email. The technical proposal and cost proposal must be saved as separate documents and emailed to doh.procurement.proposals@alaska.gov as separate, clearly labeled attachments. The email must contain the RFP number in the subject line.

The maximum size of a single email (including all text and attachments) that can be received by the state is 20mb (megabytes). If the email containing the proposal exceeds this size, the proposal must be sent in multiple emails that are each less than **20 megabytes**.

Please note that email transmission is not instantaneous. Similar to sending a hard copy proposal, if you are emailing your proposal, the state recommends sending it enough ahead of time to ensure the email is delivered by the deadline for receipt of proposals.

It is the offeror's responsibility to contact the above email address to confirm that the proposal has been received. The state is not responsible for unreadable, corrupt, or missing attachments.

Please note that email transmission is not instantaneous. Similar to sending a hard copy proposal, if you are emailing your proposal, the state recommends sending it with enough time to ensure the email is delivered by the deadline for receipt of proposals.

It is the offeror's responsibility to contact the issuing agency at (907)465-2281 to confirm that the proposal has been received. The state is not responsible for unreadable, corrupt, or missing attachments.

SEC. 1.08 ASSISTANCE TO OFFERORS WITH A DISABILITY

Offerors with a disability may receive accommodation regarding the means of communicating this RFP or participating in the procurement process. For more information, contact the procurement officer no later than ten days prior to the deadline for receipt of proposals.

SEC. 1.09 AMENDMENTS TO PROPOSALS

Amendments to or withdrawals of proposals will only be allowed if acceptable requests are received prior to the deadline that is set for receipt of proposals. No amendments or withdrawals will be accepted after the deadline unless they are in response to the state's request in accordance with 2 AAC 12.290.

SEC. 1.10 AMENDMENTS TO THE RFP

If an amendment is issued before the deadline for receipt of proposals, the amendment will be posted on the State of Alaska Online Public Notice (OPN) website. The link to the posting of the amendment will be provided to all who were notified of the RFP and to those who have registered with the procurement officer after receiving the RFP from the OPN.

After receipt of proposals, if there is a need for any substantial clarification or material change in the RFP, an amendment will be issued. The amendment will incorporate the clarification or change, and a new date and time established for new or amended proposals. Evaluations may be adjusted as a result of receiving new or amended proposals.

SEC. 1.11 RFP SCHEDULE

RFP schedule set out herein represents the state’s best estimate of the schedule that will be followed. If a component of this schedule, such as the deadline for receipt of proposals, is delayed, the rest of the schedule may be shifted accordingly. All times are Alaska Time.

SECTION 2. BACKGROUND INFORMATION

SEC. 2.01 BACKGROUND INFORMATION

Chronic diseases and their related risk factors—such as poor nutrition and lack of physical activity—are serious health concerns in Alaska. One (1) out of three (3) Alaska children is overweight or obese, as are two (2) out of three (3) adults. A recent analysis showed that two (2) out of three (3) Alaska adults have at least one ongoing chronic disease or related behavior. Three (3) of the top ten (10) causes of death in Alaska are chronic diseases linked to obesity, poor diet, and physical inactivity: cancer, heart disease, and diabetes. The Center for Disease Control and Prevention's (CDC) Division of Nutrition, Physical Activity, and Obesity has identified breastfeeding promotion activities as key evidence-based strategies to prevent chronic diseases for both mother and baby. Breastfeeding is an investment in health for infants and mothers. Compared to formula-fed infants, infants who are breastfed or infants who are fed expressed breast milk are less likely to have type two (2) diabetes and obesity; and breastfeeding moms have less risk of ovarian cancer.

The American Academy of Pediatrics (AAP) recommends exclusive breastfeeding for about the first six months of life and supports continued breastfeeding after solid foods are introduced as long as the mother and baby desire, for two (2) years or beyond. While Alaska's statewide breastfeeding initiation rates are high (95%), exclusivity and duration rates are lower than AAP recommendations. Only 55% of Alaskan infants were exclusively breastfed through eight (8) weeks, and 69% maintained some breastfeeding (not exclusive) at six (6) months in 2019. Additionally, breastfeeding disparities persist by race, ethnicity, socioeconomic (SES) status, and geography (see Table 1).

Table 1: Alaska Breastfeeding Disparities Snapshot

	Initiation	Exclusivity*	Duration [^]
All Infants	95%	55%	69%
Alaska Native Infants	91%	43%	59%
Low-Income Families	91%	47%	60%
Northern Region Infants+	90%	27%	33%

*exclusively breastfed through 8 weeks; [^]some breastfeeding through 6 months; + includes the Northwest Arctic census area; Sources: 2019 PRAMS, 2019 CUBS (Duration)

Research suggests that adequate, timely lactation support is critical to increasing initiation and duration of exclusive breastfeeding, and the U.S. Surgeon General has repeatedly called for public health officials to increase access to trained lactation support services. This contract aims to increase access to trained lactation support services throughout Alaska. The project will implement or expand, monitor, evaluate, and sustain successful community-based lactation support programs and expand to regions of the state with families who have the greatest need for lactation support.

SECTION 3. SCOPE OF WORK & CONTRACT INFORMATION

SEC. 3.01 SCOPE OF WORK

The Department of Health, Division of Public Health, Alaska Physical Activity & Nutrition (PAN) Unit, is soliciting proposals for a service provider that can (1) **implement or expand**, (2) **monitor and evaluate**, and (3) **sustain** an Alaska Community Lactation Based Counselor (CBLC) Program in rural Alaskan communities. The Alaska CBLC Program service provider will also (4) **provide ongoing project management** assistance to the State of Alaska project team.

Services provided by the vendor will help the Alaska PAN Unit:

1. Enhanced access to programs that offer continuity of care and lactation support for breastfeeding families.
2. Expansion of programs that deliver culturally appropriate lactation support for breastfeeding families.
3. Increased percentage of Alaskans adhering to the American Academy of Pediatrics' best practice of six-month exclusive breastfeeding.
4. Higher percentage of Alaskans maintaining a healthy weight.
5. Reduction in the percentage of Alaskans living with chronic conditions.

SEC. 3.02 CONTRACT TERM AND WORK SCHEDULE

The length of the contract will be from the date of award, for approximately nine years or until completion, approximately March 31, 2034.

Unless otherwise provided in this RFP, the State and the successful offeror/contractor agree: (1) that any extension of the contract excluding any exercised renewal options, will be considered as a month-to-month extension, and all other terms and conditions shall remain in full force and effect and (2) the procurement officer will provide notice to the contractor of the intent to cancel such month-to-month extension at least 30 days before the desired date of cancellation. A month-to-month extension may only be executed by the procurement officer via a written contract amendment.

SEC. 3.03 DELIVERABLES

The contractor will be required to provide the following deliverables:

1. Implement or Expand CBLC Program:

(1a) Employ culturally appropriate, community-based participatory methods to engage local community stakeholders and partners in program planning and implementation/expansion, ensuring their support and involvement.

(1b) Provide education, recruitment, and ongoing support to Certified Breastfeeding Lactation Consultants (CBLCs) during the implementation and expansion phases of the project.

(1c) Coordinate the facilitation of culturally tailored, evidence-based lactation consulting training for CBLCs.

2. Monitor and/or Evaluate CBLC Program

(2a) Collect relevant data, as specified by the service provider and the Alaska project team, to monitor and evaluate project progress. This will enable the identification of necessary quality improvements and activities.

3. Sustain CBLC Program:

(3a) Create sustainability tools, such as a program implementation toolkit, to support the maintenance of current CLBC programs and facilitate the expansion of these programs into additional regions of the state. This deliverable is expected to be completed by the third year of the contract.

(3b) Additionally, implement strategies to integrate trained CLBCs into existing relevant systems to ensure the long-term management and sustainability of the CLBC program.

4. Project Management:

Service provider shall provide ongoing project management assistance to the State of Alaska project team, including:

(4a) Designate a project manager to oversee this project.

(4b) Deliver a comprehensive and finalized annual project budget and work plan within the first thirty (30) days of contract initiation or renewal.

(4c) Conduct regular meetings (with frequency determined by the service provider and the Alaska project team) with the State of Alaska project team to discuss project progress, challenges, successes, and requirements.

(4d) Provide program monitoring and evaluation data to the State of Alaska project team as required.

(4e) Ensure timely communication with the State of Alaska project team.

(4f) Submit invoices to the State of Alaska project team promptly.

(4g) Provide quarterly project reports.

(4h) Submit a project success story in the second (2) and fourth (4) years of the contract.

SEC. 3.04 CONTRACT TYPE

This contract is a **FIXED FIRM** contract.

SEC. 3.05 PROPOSED PAYMENT PROCEDURES

The state will make payments based on a negotiated payment schedule. Each billing must consist of an invoice and progress report. No payment will be made until the progress report and invoice has been approved by the project director.

SEC. 3.06 PROMPT PAYMENT FOR STATE PURCHASES

The state is eligible to receive a **5%** discount for all invoices paid within **15** business days from the date of receipt of the commodities or services and/or a correct invoice, whichever is later. The discount shall be taken on the full invoice amount. The state shall consider payment being made as either the date a printed warrant is issued or the date an electronic funds transfer (EFT) is initiated.

SEC. 3.07 CONTRACT PAYMENT

No payment will be made until the contract is approved by the Commissioner of the Department of Health or the Commissioner's designee. Under no conditions will the state be liable for the payment of any interest charges associated with the cost of the contract. The state is not responsible for and will not pay local, state, or federal taxes. All costs associated with the contract must be stated in U.S. currency.

Payment for agreements under \$500,000 for the undisputed purchase of goods or services provided to a state agency, will be made within 30 days of the receipt of a proper billing or the delivery of the goods or services to the location(s) specified in the agreement, whichever is later. A late payment is subject to 1.5% interest per month on the unpaid balance. Interest will not be paid if there is a dispute or if there is an agreement that establishes a lower interest rate or precludes the charging of interest.

SEC. 3.08 ELECTRONIC PAYMENTS

The State of Alaska prefers vendors receive payment via Electronic Funds Transfer (EFT). Offerors may review information concerning the EFT process and access the [Electronic Payment Agreement Form for Vendors](https://doa.alaska.gov/dof/vendor.html) at the following link: <https://doa.alaska.gov/dof/vendor.html>. Method of payment is not a factor in the State's determination for award.

Any single contract payment of \$1 million or higher must be accepted by the contractor via Electronic Funds Transfer (EFT).

SEC. 3.09 LOCATION OF WORK

The location(s) the work is to be performed, completed, and managed at the contractor's location.

The state will not provide workspace for the contractor. The contractor must provide its own workspace.

By signing their proposal, the offeror certifies that all services provided under this contract by the contractor and all subcontractors shall be performed in the United States.

If the offeror cannot certify that all work will be performed in the United States, the offeror must contact the procurement officer in writing to request a waiver at least 10 days prior to the deadline for receipt of proposals.

The request must include a detailed description of the portion of work that will be performed outside the United States, where, by whom, and the reason the waiver is necessary.

Failure to comply with these requirements may cause the state to reject the proposal as non-responsive or cancel the contract.

SEC. 3.10 THIRD-PARTY SERVICE PROVIDERS

No Third-party service providers will be accepted.

SEC. 3.11 SUBCONTRACTORS

Subcontractors may be used to perform work under this contract. If an offeror intends to use subcontractors, the offeror must complete the Submittal Form identified in Section 4.02 of this RFP.

An offeror's failure to provide this information with their proposal may cause the state to consider their proposal non-responsive and reject it.

Subcontractor experience shall be considered in determining whether the offeror meets the requirements set forth in **SEC. 1.04 PRIOR EXPERIENCE**.

If a proposal with subcontractors is selected, the offeror must provide the following information concerning each prospective subcontractor within five working days from the date of the state's request:

- complete name of the subcontractor;
- complete address of the subcontractor;
- type of work the subcontractor will be performing;
- percentage of work the subcontractor will be providing;
- evidence that the subcontractor holds a valid Alaska business license;

If a subcontractor on the list will be performing work within Alaska, and did not have a valid Alaska business license at the close of the RFP, the Offeror may not use the subcontractor in the performance of the contract and shall replace the subcontractor with a subcontractor who had a valid Alaska business license at the close of the RFP.

- a written statement, signed by each proposed subcontractor that clearly verifies that the subcontractor is committed to render the services required by the contract.

An offeror's failure to provide this information, within the time set, will cause the state to consider their proposal non-responsive and reject it. The substitution of one subcontractor for another that has already been approved may be made only at the discretion and prior written approval of the project director.

Note that if the subcontractor will not be performing work within Alaska, they will not be required to hold an Alaska business license.

SEC. 3.12 JOINT VENTURES

Joint ventures will not be allowed.

SEC. 3.13 RIGHT TO INSPECT PLACE OF BUSINESS

At reasonable times, the state may inspect those areas of the contractor's place of business that are related to the performance of a contract. If the state makes such an inspection, the contractor must provide reasonable assistance.

SEC. 3.14 CONTRACT PERSONNEL

Any change of the project team members or subcontractors named in the proposal must be approved, in advance and in writing, by the project director and the procurement officer. Changes that are not approved by the state may be grounds for the state to terminate the contract.

SEC. 3.15 INSPECTION & MODIFICATION - REIMBURSEMENT FOR UNACCEPTABLE DELIVERABLES

The contractor is responsible for the completion of all work set out in the contract. All work is subject to inspection, evaluation, and approval by the project director. The state may employ all reasonable means to ensure that the work is progressing and being performed in compliance with the contract. The project director or procurement officer may instruct the contractor to make corrections or modifications if needed in order to accomplish the contract's intent. The contractor will not unreasonably withhold such changes.

Substantial failure of the contractor to perform the contract may cause the state to terminate the contract. In this event, the state may require the contractor to reimburse monies paid (based on the identified portion of unacceptable work received) and may seek associated damages.

SEC. 3.16 CONTRACT CHANGES - UNANTICIPATED AMENDMENTS

During the course of this contract, the contractor may be required to perform additional work. That work will be within the general scope of the initial contract. When additional work is required, the project director will provide the contractor a written description of the additional work and request the contractor to submit a firm time schedule for accomplishing the additional work and a firm price for the additional work. Cost and pricing data must be provided to justify the cost of such amendments per AS 36.30.400.

The contractor will not commence additional work until the procurement officer has secured any required state approvals necessary for the amendment and issued a written contract amendment, approved by the Commissioner of the Department of Health or the Commissioner's designee.

SEC. 3.17 NONDISCLOSURE AND CONFIDENTIALITY

Contractor agrees that all confidential information shall be used only for purposes of providing the deliverables and performing the services specified herein and shall not disseminate or allow dissemination of confidential information except as provided for in this section. The contractor shall hold as confidential and will use reasonable care (including both facility physical security and electronic security) to prevent unauthorized access by, storage, disclosure, publication, dissemination to and/or use by third parties of, the confidential information. “Reasonable care” means compliance by the contractor with all applicable federal and state law, including the Social Security Act and HIPAA. The contractor must promptly notify the state in writing if it becomes aware of any storage, disclosure, loss, unauthorized access to or use of the confidential information.

Confidential information, as used herein, means any data, files, software, information or materials (whether prepared by the state or its agents or advisors) in oral, electronic, tangible or intangible form and however stored, compiled or memorialized that is classified confidential as defined by State of Alaska classification and categorization guidelines provided by the state to the contractor or a contractor agent or otherwise made available to the contractor or a contractor agent in connection with this contract, or acquired, obtained or learned by the contractor or a contractor agent in the performance of this contract. Examples of confidential information include, but are not limited to: technology infrastructure, architecture, financial data, trade secrets, equipment specifications, user lists, passwords, research data, and technology data (infrastructure, architecture, operating systems, security tools, IP addresses, etc).

Additional information that the contractor shall hold as confidential during the performance of services under this contract include:

1. Vendor must be HIPAA compliant and keep all program participant information confidential.

If confidential information is requested to be disclosed by the contractor pursuant to a request received by a third party and such disclosure of the confidential information is required under applicable state or federal law, regulation, governmental or regulatory authority, the contractor may disclose the confidential information after providing the state with written notice of the requested disclosure (to the extent such notice to the state is permitted by applicable law) and giving the state opportunity to review the request. If the contractor receives no objection from the state, it may release the confidential information within 30 days. Notice of the requested disclosure of confidential information by the contractor must be provided to the state within a reasonable time after the contractor’s receipt of notice of the requested disclosure and, upon request of the state, shall seek to obtain legal protection from the release of the confidential information.

The following information shall not be considered confidential information: information previously known to be public information when received from the other party; information freely available to the general public; information which now is or hereafter becomes publicly known by other than a breach of confidentiality hereof; or information which is disclosed by a party pursuant to subpoena or other legal process and which as a result becomes lawfully obtainable by the general public.

SEC. 3.18 INDEMNIFICATION

The contractor shall indemnify, hold harmless, and defend the contracting agency from and against any claim of, or liability for error, omission, or negligent act of the contractor under this agreement. The contractor shall not be required to indemnify the contracting agency for a claim of, or liability for, the independent negligence of the contracting agency. If there is a claim of, or liability for, the joint negligent error or omission of the contractor and the independent negligence of the contracting agency, the indemnification and hold harmless obligation shall be apportioned on a comparative fault basis. “Contractor” and “contracting agency”, as used within this and the following article, include the employees, agents and other contractors who are directly responsible, respectively, to each. The term “independent negligence” is negligence other than in the contracting agency’s selection, administration, monitoring, or controlling of the contractor and in approving or accepting the contractor’s work.

SEC. 3.19 INSURANCE REQUIREMENTS

Without limiting contractor's indemnification, it is agreed that contractor shall purchase at its own expense and maintain in force at all times during the performance of services under this agreement the following policies of insurance. Where specific limits are shown, it is understood that they shall be the minimum acceptable limits. If the contractor's policy contains higher limits, the state shall be entitled to coverage to the extent of such higher limits.

Certificates of Insurance must be furnished to the procurement officer prior to beginning work and must provide for a notice of cancellation, non-renewal, or material change of conditions in accordance with policy provisions. Failure to furnish satisfactory evidence of insurance or lapse of the policy is a material breach of this contract and shall be grounds for termination of the contractor's services. All insurance policies shall comply with and be issued by insurers licensed to transact the business of insurance under AS 21.

Workers' Compensation Insurance: The contractor shall provide and maintain, for all employees engaged in work under this contract, coverage as required by AS 23.30.045, and where applicable, any other statutory obligations including but not limited to Federal U.S.L. & H. and Jones Act requirements. The policy must waive subrogation against the State.

Commercial General Liability Insurance: covering all business premises and operations used by the Contractor in the performance of services under this agreement with minimum coverage limits of \$300,000 combined single limit per claim.

Commercial Automobile Liability Insurance: covering all vehicles used by the contractor in the performance of services under this agreement with minimum coverage limits of \$300,000 combined single limit per claim.

SEC. 3.20 TERMINATION FOR DEFAULT

- a. If the Project Director or Procurement Officer determines that the contractor has refused to perform the work or has failed to perform the work with such diligence as to ensure its timely and accurate completion, the state may, by providing written notice to the contractor, terminate the contractor's right to proceed with part or all the remaining work.

- b. The Procurement Officer may also, by written notice, terminate this contract under Administrative Order 352 if the contractor supports or participates in a boycott of the State of Israel.

This clause does not restrict the state's termination rights under the contract provisions of Appendix A, attached in **SECTION 7. ATTACHMENTS**.

SECTION 4. PROPOSAL FORMAT AND CONTENT

Any proposal that does not follow these requirements may be deemed non-responsive.

SEC. 4.02 SPECIAL FORMATTING REQUIREMENTS

The offeror must ensure that their proposal meets all special formatting requirements identified in this section.

Page Limits: Some Submittal Forms listed below have maximum page limit requirements. Offerors must not exceed the maximum page limits. Note, the page limit applies to the front side of a page only (for example, ‘1 Page’ implies that the offeror can only provide a response on one side of a piece of paper). Any pages exceeding the maximum page limit will be discarded and will not be included in the evaluations (for example, the maximum page limit is 3 pages, but the Offeror submits 5 pages for that submittal form. Only pages 1-3 will be evaluated. Pages 4 and 5 would be discarded by the Procurement Officer before sending to the proposal evaluation committee for evaluation.).

SECTION 5. EVALUATION CRITERIA AND CONTRACTOR SELECTION

SEC. 5.01 SUMMARY OF EVALUATION PROCESS

The state will use the following steps to evaluate and prioritize proposals:

- 1) Proposals will be assessed for overall responsiveness. Proposals deemed non-responsive will be eliminated from further consideration.
- 2) A proposal evaluation committee (PEC), made up of at least three state employees or public officials, will evaluate the technical portion of all responsive proposals.
- 3) The Submittal Forms, from each responsive proposal, will be sent to the PEC. No cost information will be shared or provided to the PEC.
- 4) The PEC will independently evaluate and score the documents based on the degree to which they meet the stated evaluation criteria.
- 5) After independent scoring, the PEC will have a meeting, chaired by the procurement officer, where the PEC may have a group discussion prior to finalizing their scores.
- 6) The evaluators will submit their final individual scores to the procurement officer, who will then compile the scores and calculate awarded points as set out in Section 5.03.
- 7) The procurement officer will calculate scores for cost proposals as set out in Section 5.08 and add those scores to the awarded points along with factoring in any Alaska preferences.
- 8) The procurement officer may ask for best and final offers from offerors susceptible for award and revise the cost scores accordingly.
- 9) The state will then conduct any necessary negotiations with the highest scoring offeror and award a contract if the negotiations are successful.

SEC. 5.02 EVALUATION CRITERIA

Proposals will be evaluated based on their overall value to state, considering both cost and non-cost factors as described below. Note: An evaluation may not be based on discrimination due to the race, religion, color, national origin, sex, age, marital status, pregnancy, parenthood, disability, or political affiliation of the offeror.

Overall Criteria	Weight
Responsiveness	Pass/Fail

Qualifications Criteria		Weight
Experience and Qualifications	(Submittal Form B)	200
Understanding of the Project	(Submittal Form C)	100
Methodology Used for the Project	(Submittal Form D)	150
Management Plan for the Project	(Submittal Form E)	150
	Total	600

Cost Criteria		Weight
Cost Proposal	(Submittal Form F)	300
Total		300

Preference Criteria		Weight
Alaska Offeror Preference (if applicable)		100
Total		100

TOTAL EVALUATION POINTS AVAILABLE: 1000

SEC. 5.03 SCORING METHOD AND CALCULATION

Each Proposal Evaluation Committee (PEC) member will individually evaluate and score each responsive proposal using the criteria set out in Sections 5.04 through 5.07 and assign a single score of 1 through 10, with 10 representing the highest score and 1 representing the lowest score. Using only whole numbers, PEC members shall start with a score of 5 on each section. The score may either increase or decrease depending on the offeror’s response to each question for that section. As an example, if the Offeror provided responses over and above the evaluation questions in a section, they would receive a higher score. However, if the Offeror’s response fails to address all questions of a section or demonstrates some lack of understanding or competency as it relates to a question for that section, the Offeror would then receive a lower score.

After the PEC has scored, the scores for each section will be totaled and the following formula will be used to calculate the total amount of points awarded for each section:

$$\frac{\text{Offeror Total Score}}{\text{Highest Total Score Possible}} \times \text{Max Points} = \text{Points Awarded}$$

Example (Max Points for the Section = 100):

	PEC Member 1 Score	PEC Member 2 Score	PEC Member 3 Score	PEC Member 4 Score	Combined Total Score	Points Awarded
Offeror 1	10	5	5	10	30	75
Offeror 2	5	5	5	5	20	50
Offeror 3	10	10	10	10	40	100

Offeror 1 was awarded 75 points:

$$\frac{\text{Offeror Total Score (30)}}{\text{Highest Total Score Possible (40)}} \times \text{Max Points (100)} = \text{Points Awarded (75)}$$

Offeror 2 was awarded 50 points:

$$\frac{\text{Offeror Total Score (20)}}{\text{Highest Total Score Possible (40)}} \times \text{Max Points (100)} = \text{Points Awarded (50)}$$

Offeror 3 was awarded 100 points:

After the PEC has scored, the scores for each section will be totaled and the following formula will be used to calculate the total amount of points awarded for each section:

$$\frac{\text{Offeror Total Score}}{\text{Highest Total Score Possible}} \times \text{Max Points} = \text{Points Awarded}$$

SEC. 5.04 EXPERIENCE AND QUALIFICATIONS

This portion of the offeror’s proposal will be evaluated against the following questions:

- 1) How well did the offer detail their specific experience in implementing public health peer-to-peer model of programming in rural Alaska?
- 2) How well did the offeror detail their experience working in the Northwest Arctic region of Alaska?
- 3) How well did the offeror demonstrate an understanding of the barriers and facilitators to breastfeeding among rural Alaskan families?
- 4) How did the offeror describe the organization of the project team and the individual(s) responsible for and accountable for the completion of each component and deliverable of the RFP?

SEC. 5.05 UNDERSTANDING OF THE PROJECT

This portion of the offeror’s proposal will be evaluated against the following questions:

- 1) How well did the offeror demonstrate their understanding of the project requirements and how to meet the state’s needs?

SEC. 5.06 METHODOLOGY USED FOR THE PROJECT

This portion of the offeror’s proposal will be evaluated against the following questions:

- 1) How well did the offeror demonstrate the methodology they will employ and how the methodology will serve to accomplish the work and meet the state’s needs?

SEC. 5.07 MANAGEMENT PLAN FOR THE PROJECT

This portion of the offeror’s proposal will be evaluated against the following questions:

- 1) How well did the offeror demonstrate their management plan and how that plan will service to accomplish the work and meet the state’s needs?
- 2) To what extent did the offeror identify potential issues, risks, or problems they foresee with this project and how they will address them?

SEC. 5.08 CONTRACT COST (COST PROPOSAL)

Overall, a minimum of 30% of the total evaluation points will be assigned to cost. After the procurement officer applies any applicable preferences, the offeror with the lowest total cost will receive the maximum number of points allocated to cost per 2 AAC 12.260(c). The point allocations for cost on the other proposals will be determined using the following formula:

$$[(\text{Price of Lowest Cost Proposal}) \times (\text{Maximum Points for Cost})] \div (\text{Cost of Each Higher Priced Proposal})$$

Example (Max Points for Contract Cost = 400):**Step 1**

List all proposal prices, adjusted where appropriate by the application of applicable preferences claimed by the offeror.

Offeror #1	\$40,000
Offeror #2	\$42,750
Offeror #3	\$47,500

Step 2

In this example, the RFP allotted 40% of the available 1,000 points to cost. This means that the lowest cost will receive the maximum number of points.

Offeror #1 receives 400 points.

The reason they receive that amount is because the lowest cost proposal, in this case \$40,000, receives the maximum number of points allocated to cost, 400 points.

Offeror #2 receives 374.3 points.

$$\$40,000 \text{ lowest cost} \times 400 \text{ maximum points for cost} = 16,000,000 \div \$42,750 \text{ cost of Offeror \#2's proposal} = 374.3$$

Offeror #3 receives 336.8 points.

$\$40,000$ lowest cost \times 400 maximum points for cost = $16,000,000 \div \$47,500$ cost of Offeror #3's proposal = **336.8**

SEC. 5.09 ALASKA OFFEROR PREFERENCE

Per 2 AAC 12.260, if an offeror qualifies for the Alaska Bidder Preference, the offeror will receive an Alaska Offeror Preference. The preference will be 10% of the total available points, which will be added to the offeror's overall evaluation score.

Example:**Step 1**

Determine the number of points available to qualifying offerors under this preference:

1000 Total Points Available in RFP \times 10% Alaska Offeror preference = 100 Points for the preference

Step 2

Determine which offerors qualify as Alaska bidders and thus, are eligible for the Alaska Offeror preference. For the purpose of this example, presume that all proposals have been completely evaluated based on the evaluation criteria in the RFP. The scores at this point are:

Offeror #1	830 points	No Preference	0 points
Offeror #2	740 points	Alaska Offeror Preference	100 points
Offeror #3	800 points	Alaska Offeror Preference	100 points

Step 3

Add the applicable Alaska Offeror preference amounts to the offerors' scores:

Offeror #1	830 points
Offeror #2	840 points (740 points + 100 points)
Offeror #3	900 points (800 points + 100 points)

Offeror #3 is the highest scoring offeror and would get the award, provided their proposal is responsive and responsible.

SECTION 6. GENERAL PROCESS AND LEGAL INFORMATION

SEC. 6.01 INFORMAL DEBRIEFING

When the contract is completed, an informal debriefing may be performed at the discretion of the project director or procurement officer. If performed, the scope of the debriefing will be limited to the work performed by the contractor.

SEC. 6.02 ALASKA BUSINESS LICENSE AND OTHER REQUIRED LICENSES

Prior to the award of a contract, an offeror must hold a valid Alaska business license. However, in order to receive the Alaska Bidder Preference and other related preferences, such as the Alaska Veteran Preference and Alaska Offeror Preference, an offeror must hold a valid Alaska business license prior to the deadline for receipt of proposals. Offerors should contact the **Department of Commerce, Community and Economic Development, Division of Corporations, Business, and Professional Licensing, PO Box 110806, Juneau, Alaska 99811-0806** for information on these licenses. Acceptable evidence that the offeror possesses a valid Alaska business license may consist of any one of the following:

- copy of an Alaska business license;
- certification on the proposal that the offeror has a valid Alaska business license and has included the license number in the proposal;
- a canceled check for the Alaska business license fee;
- a copy of the Alaska business license application with a receipt stamp from the state's occupational licensing office; or
- a sworn and notarized statement that the offeror has applied and paid for the Alaska business license.

You are not required to hold a valid Alaska business license at the time proposals are opened if you possess one of the following licenses and are offering services or supplies under that specific line of business:

- fisheries business licenses issued by Alaska Department of Revenue or Alaska Department of Fish and Game,
- liquor licenses issued by Alaska Department of Revenue for alcohol sales only,
- insurance licenses issued by Alaska Department of Commerce, Community and Economic Development, Division of Insurance, or
- Mining licenses issued by Alaska Department of Revenue.

Prior the deadline for receipt of proposals, all offerors must hold any other necessary applicable professional licenses required by Alaska Statute.

SEC. 6.03 SITE INSPECTION

The state may conduct on-site visits to evaluate the offeror's capacity to perform the contract. An offeror must agree, at risk of being found non-responsive and having its proposal rejected, to provide the state reasonable access to relevant portions of its work sites. Individuals designated by the procurement officer at the state's expense will make site inspection.

SEC. 6.04 CLARIFICATION OF OFFERS

In order to determine if a proposal is reasonably susceptible for award, communications by the procurement officer or the proposal evaluation committee (PEC) are permitted with an offeror to clarify uncertainties or eliminate confusion concerning the contents of a proposal. Clarifications may not result in a material or substantive change to the proposal. The evaluation by the procurement officer or the PEC may be adjusted as a result of a clarification under this section.

SEC. 6.05 DISCUSSIONS WITH OFFERORS

The state may conduct discussions with offerors in accordance with AS 36.30.240 and 2 AAC 12.290. The purpose of these discussions will be to ensure full understanding of the requirements of the RFP and proposal. Discussions will be limited to specific sections of the RFP or proposal identified by the procurement officer. Discussions will only be held with offerors who have submitted a proposal deemed reasonably susceptible for award by the procurement officer. Discussions, if held, will be after initial evaluation of proposals by the procurement officer or the PEC. If modifications are made as a result of these discussions, they will be put in writing. Following discussions, the procurement officer may set a time for best and final proposal submissions from those offerors with whom discussions were held. Proposals may be reevaluated after receipt of best and final proposal submissions.

If an offeror does not submit a best and final proposal or a notice of withdrawal, the offeror's immediate previous proposal is considered the offeror's best and final proposal.

Offerors with a disability needing accommodation should contact the procurement officer prior to the date set for discussions so that reasonable accommodation can be made. Any oral modification of a proposal must be reduced to writing by the offeror.

SEC. 6.06 EVALUATION OF PROPOSALS

The procurement officer, or an evaluation committee made up of at least three state employees or public officials, will evaluate proposals. The evaluation will be based solely on the evaluation factors set out in **SECTION 5. EVALUATION CRITERIA AND CONTRACTOR SELECTION**.

After receipt of proposals, if there is a need for any substantial clarification or material change in the RFP, an amendment will be issued. The amendment will incorporate the clarification or change, and a

new date and time established for new or amended proposals. Evaluations may be adjusted as a result of receiving new or amended proposals.

SEC. 6.07 CONTRACT NEGOTIATION

After final evaluation, the procurement officer may negotiate with the offeror of the highest-ranked proposal. Negotiations, if held, shall be within the scope of the request for proposals and limited to those items which would not have an effect on the ranking of proposals. If the highest-ranked offeror fails to provide necessary information for negotiations in a timely manner, or fails to negotiate in good faith, the state may terminate negotiations and negotiate with the offeror of the next highest-ranked proposal. If contract negotiations are commenced, they may be held virtually via TEAMS.

SEC. 6.08 FAILURE TO NEGOTIATE

If the selected offeror

- fails to provide the information required to begin negotiations in a timely manner; or
- fails to negotiate in good faith; or
- indicates they cannot perform the contract within the budgeted funds available for the project;
or
- if the offeror and the state, after a good faith effort, simply cannot come to terms,

the state may terminate negotiations with the offeror initially selected and commence negotiations with the next highest ranked offeror.

SEC. 6.09 OFFEROR NOTIFICATION OF SELECTION

After the completion of contract negotiation, the procurement officer will issue a written Notice of Intent to Award and send copies of that notice to all offerors who submitted proposals. The notice will set out the names of all offerors and identify the offeror selected for award.

SEC. 6.10 PROTEST

AS 36.30.560 provides that an interested party may protest the content of the RFP.

An interested party is defined in 2 AAC 12.990(a) (7) as "an actual or prospective bidder or offeror whose economic interest might be affected substantially and directly by the issuance of a contract solicitation, the award of a contract, or the failure to award a contract."

If an interested party wishes to protest the content of a solicitation, the protest must be received, in writing, by the procurement officer at least ten days prior to the deadline for receipt of proposals.

AS 36.30.560 also provides that an interested party may protest the award of a contract or the proposed award of a contract.

If an offeror wishes to protest the award of a contract or the proposed award of a contract, the protest must be received, in writing, by the procurement officer within ten days after the date the Notice of Intent to Award the contract is issued.

A protester must have submitted a proposal in order to have sufficient standing to protest the proposed award of a contract. Protests must include the following information:

- the name, address, and telephone number of the protester;
- the signature of the protester or the protester's representative;
- identification of the contracting agency and the solicitation or contract at issue;
- a detailed statement of the legal and factual grounds of the protest including copies of relevant documents; and the form of relief requested.

Protests filed by telex or telegram are not acceptable because they do not contain a signature. Fax copies containing a signature are acceptable.

The procurement officer will issue a written response to the protest. The response will set out the procurement officer's decision and contain the basis of the decision within the statutory time limit in AS 36.30.580. A copy of the decision will be furnished to the protester by certified mail, fax or another method that provides evidence of receipt.

All offerors will be notified of any protest. The review of protests, decisions of the procurement officer, appeals, and hearings, will be conducted in accordance with the State Procurement Code (AS 36.30), Article 8 "Legal and Contractual Remedies."

SEC. 6.21 RIGHT OF REJECTION

Offerors must comply with all of the terms of the RFP, the State Procurement Code (AS 36.30), and all applicable local, state, and federal laws, codes, and regulations. The procurement officer may reject any proposal that does not comply with all of the material and substantial terms, conditions, and performance requirements of the RFP.

Offerors may not qualify the proposal nor restrict the rights of the state. If an offeror does so, the procurement officer may determine the proposal to be a non-responsive counteroffer and the proposal may be rejected.

Minor informalities that:

- do not affect responsiveness;
- are merely a matter of form or format;
- do not change the relative standing or otherwise prejudice other offers;
- do not change the meaning or scope of the RFP;
- are trivial, negligible, or immaterial in nature;
- do not reflect a material change in the work; or
- do not constitute a substantial reservation against a requirement or provision;

may be waived by the procurement officer.

The State reserves the right to refrain from making an award if it determines that it is not in the best interest of the State.

A proposal from a debarred or suspended offeror shall be rejected.

SEC. 6.22 STATE NOT RESPONSIBLE FOR PREPARATION COSTS

The state will not pay any cost associated with the preparation, submittal, presentation, or evaluation of any proposal.

SEC. 6.23 DISCLOSURE OF PROPOSAL CONTENTS

All proposals and other material submitted become the property of the State of Alaska and may be returned only at the state's option. AS 40.25.110 requires public records to be open to reasonable inspection. All proposal information, including detailed price and cost information, will be held in confidence during the evaluation process and prior to the time a Notice of Intent to Award is issued. Thereafter, proposals will become public information.

The Office of Procurement and Property Management (OPPM), or their designee recognizes that some information an offeror submits might be confidential under the United States or the State of Alaska Constitution, a federal statute or regulation, or a State of Alaska statute: i.e., might be confidential business information (CBI). *See, e.g.*, article 1, section 1 of the Alaska Constitution; AS 45.50.910 – 45.50.945 (the Alaska Uniform Trade Secrets Act); *DNR v. Arctic Slope Regional Corp.*, 834 P.2d 134, 137-39 (Alaska 1991). For OPPM or their designee to treat information an offeror submits with its proposal as CBI, the offeror must do the following when submitting their proposal: (1) mark the specific information it asserts is CBI; and (2) for each discrete set of such information, identify, in writing, each authority the offeror asserts make the information CBI. If the offeror does not do these things, the information will become public after the Notice of Intent to Award is issued. If the offeror does these things, OPPM or their designee will evaluate the offeror's assertion upon receiving a request for the information. If OPPM or their designee reject the assertion, they will, to the extent permitted by federal and State of Alaska law, undertake reasonable measures to give the offeror an opportunity to object to the disclosure of the information.

SEC. 6.24 ASSIGNMENT

Per 2 AAC 12.480, the contractor may not transfer or assign any portion of the contract without prior written approval from the procurement officer.

SEC. 6.25 FORCE MAJEURE (IMPOSSIBILITY TO PERFORM)

The parties to a contract resulting from this RFP are not liable for the consequences of any failure to perform, or default in performing, any of its obligations under the contract, if that failure or default is caused by any unforeseeable Force Majeure, beyond the control of, and without the fault or negligence of, the respective party.

For the purposes of this RFP, Force Majeure will mean war (whether declared or not); revolution; invasion; insurrection; riot; civil commotion; sabotage; military or usurped power; lightning; explosion; fire; storm; drought; flood; earthquake; epidemic; quarantine; strikes; acts or restraints of governmental authorities affecting the project or directly or indirectly prohibiting or restricting the furnishing or use of materials or labor required; inability to secure materials, machinery, equipment or labor because of priority, allocation or other regulations of any governmental authorities.

SEC. 6.26 DISPUTES

A contract resulting from this RFP is governed by the laws of the State of Alaska. If the contractor has a claim arising in connection with the agreement that it cannot resolve with the State by mutual agreement, it shall pursue the claim, if at all, in accordance with the provisions of AS 36.30.620 – AS 36.30.632. To the extent not otherwise governed by the preceding, the claim shall be brought only in the Superior Court of the State of Alaska and not elsewhere.

SEC. 6.27 SEVERABILITY

If any provision of the contract or agreement is declared by a court to be illegal or in conflict with any law, the validity of the remaining terms and provisions will not be affected; and the rights and obligations of the parties will be construed and enforced as if the contract did not contain the particular provision held to be invalid.

SEC. 6.28 SUPPLEMENTAL TERMS AND CONDITIONS

Proposals must comply with Section 6.20 Right of Rejection. However, if the state fails to identify or detect supplemental terms or conditions that conflict with those contained in this RFP or that diminish the state's rights under any contract resulting from the RFP, the term(s) or condition(s) will be considered null and void. After award of contract:

If conflict arises between a supplemental term or condition included in the proposal and a term or condition of the RFP, the term or condition of the RFP will prevail; and

If the state's rights would be diminished as a result of application of a supplemental term or condition included in the proposal, the supplemental term or condition will be considered null and void.

SEC. 6.29 SOLICITATION ADVERTISING

Public notice has been provided in accordance with 2 AAC 12.220.

SEC. 6.30 FEDERALLY IMPOSED TARIFFS

Changes in price (increase or decrease) resulting directly from a new or updated federal tariff, excise tax, or duty, imposed after contract award may be adjusted during the contract period or before delivery into the United States via contract amendment.

- **Notification of Changes:** The contractor must promptly notify the procurement officer in writing of any new, increased, or decreased federal excise tax or duty that may result in either an increase or decrease in the contact price and shall take appropriate action as directed by the procurement officer.
- **After-imposed or Increased Taxes and Duties:** Any federal excise tax or duty for goods or services covered by this contract that was exempted or excluded on the contract award date but later imposed on the contractor during the contract period, as the result of legislative, judicial, or administrative action may result in a price increase provided:

-
- a) The tax or duty takes effect after the contract award date and isn't otherwise addressed by the contract.
 - b) The contractor warrants, in writing, that no amount of the newly imposed federal excise tax or duty or rate increase was included in the contract price, as a contingency or otherwise.
- **After-relieved or Decreased Taxes and Duties:** The contract price shall be decreased by the amount of any decrease in federal excise tax or duty for goods or services under the contract, except social security or other employment taxes, that the contractor is required to pay or bear, or does not obtain a refund of, through the contractor's fault, negligence, or failure to follow instructions of the procurement officer.
 - **State's Ability to Make Changes:** The state reserves the right to request verification of federal excise tax or duty amounts on goods or services covered by this contract and increase or decrease the contract price accordingly.
 - **Price Change Threshold:** No adjustment shall be made in the contract price under this clause unless the amount of the adjustment exceeds \$250.

In the event of any conflict between the mandatory provisions of HIPAA, the HITECH Act or the Privacy and Security Rule, and the provisions of this BAA, HIPAA, the HITECH Act or the Privacy and Security Rule shall control. Where the provisions of this BAA differ from those mandated by HIPAA, the HITECH Act or the Privacy and Security Rule but are nonetheless permitted by HIPAA, the HITECH Act or the Privacy and Security Rule, the provisions of the BAA shall control.

- 2) Covered Entity: "Covered Entity" or "CE" shall have the same meaning as the term "covered entity" at 45 C.F.R. 160.103.

2. Statement of Work and Responsibilities.

As provided by AS 44.21.020 and AS 44.21.160, The BA provides automatic data processing services to the CE. These services include storage, transmission, security, and recovery of electronic information owned by CE. BA is responsible for ensuring continuity of service, delivery, and access to CE electronic information at all times including in the event of a disaster.

3. Permitted Uses and Disclosures by Business Associate.

a. BA may only use or disclose PHI for the following purposes:

- 1) BA may use or disclose PHI as required by law.
- 2) BA agrees to make uses and disclosures and requests for PHI consistent with CE's minimum necessary policies and procedures.
- 3) BA may not use or disclose PHI in a manner that would violate Subpart E of 45 C.F.R. Part 164 if done by CE, except for the specific uses and disclosures set out below.
- 4) BA may disclose PHI for the proper management and administration of BA or to carry out the legal responsibilities of BA, provided the disclosures are required by law, or BA obtains reasonable assurances from the person to whom the information is disclosed that the information will remain confidential and used or further disclosed only as required by law or for the purposes for which it was disclosed to the person, and the person notified BA of any instances of which it is aware in which the confidentiality of the information has been breached.
- 5) BA may provide data aggregation services related to the health care operations of CE.

4. Obligations of Business Associate.

- a. Permitted uses and disclosures: BA may only use and disclose PHI owned by the CE that it creates, receives, maintains, or transmits if the use or disclosure is in compliance with each applicable requirement of 45 C.F.R. 164.504(e) of the Privacy Rule or this BAA. The additional requirements of Subtitle D of the HITECH Act contained in Public Law 111-5 that relate to privacy and that are made applicable with respect to Covered Entities shall also be applicable to BA and are incorporated into this BAA.

To the extent that BA discloses CE's PHI to a subcontractor, BA must obtain, prior to making any such disclosure: (1) reasonable assurances from the subcontractor that it will agree to the same restrictions, conditions, and requirements that apply to the BA with respect to such information; and (2) an agreement from the subcontractor to notify BA of any Breach of confidentiality, or security incident, within three business days of when it becomes aware of such Breach or incident.

- b. Safeguards: 45 C.F.R. 164.308 (administrative safeguards), 164.310 (physical safeguards), 164.312 (technical safeguards), and 164.316 (policies, procedures, and documentation requirements) shall apply to BA in the same manner that such sections apply to CE, and shall be implemented in accordance with HIPAA, the HITECH Act, and the Privacy and Security Rule. The additional requirements of Title XIII of the HITECH Act contained in Public Law 111-5 that relate to security and that are made applicable to Covered Entities shall also apply to BA and are incorporated into this BAA.

Unless CE agrees in writing that this requirement is infeasible with respect to certain data, BA shall secure all paper and electronic PHI by encryption or destruction such that the PHI is rendered unusable, unreadable or indecipherable to unauthorized individuals; or secure paper, film and electronic PHI in a manner that is consistent with guidance issued by the Secretary of the United States Department of Health and Human Services specifying the technologies and methodologies that render PHI unusable, unreadable or indecipherable to unauthorized individuals, including the use of standards developed under Section 3002(b)(2)(B)(vi) of the Public Health Service Act, as added by Section 13101 of the HITECH Act contained in Public Law 111-5.

BA shall not use personally owned devices to create, receive, maintain, or transmit PHI. Devices the BA uses to create, receive, maintain, or transmit CE's electronic PHI shall be owned and managed by BA or CE.

BA shall patch its operating systems and all applications within two weeks of the release of any patch. BA shall keep its antivirus and antimalware installed and active. BA shall limit its use of administrative accounts for necessary IT operations only.

- c. Reporting Unauthorized Disclosures and Breaches: During the term of this BAA, BA shall notify CE within 72 hours of discovering a Breach of security; intrusion; or unauthorized acquisition, access, use or disclosure of CE's PHI in violation of any applicable federal or state law, including security incidents. BA shall identify for the CE the individuals whose unsecured PHI has been, or is reasonably believed to have been, breached so that CE can comply with any notification requirements if necessary. BA shall also indicate whether the PHI subject to the Breach; intrusion; or unauthorized acquisition, access, use, or disclosure was encrypted or destroyed at the time. BA shall take prompt corrective action to cure any deficiencies that result in Breaches of security; intrusion; or unauthorized acquisition, access, use, and disclosure. BA shall fulfill all breach notice requirements unless CE notifies BA that CE will take over the notice requirements. BA shall reimburse CE for all costs incurred by CE that are associated with any mitigation, investigation and notice of Breach CE undertakes or provides under HIPAA, HITECH Act, and the Privacy and Security Rule as a result of a Breach of CE's PHI caused by BA or BA's subcontractor or agent.

If the unauthorized acquisition, access, use or disclosure of CE's PHI involves only Secured PHI, BA shall notify CE within 10 days of discovering the Breach but is not required to notify CE of the names of the individuals affected.

- d. BA is not an agent of CE.
- e. BA's Agents: If BA uses a subcontractor or agent to provide services under this BAA, and the subcontractor or agent creates, receives, maintains, or transmits CE's PHI, the subcontractor or agent shall sign an agreement with BA containing substantially the same provisions as this BAA and further identifying CE as a third-party beneficiary with rights of enforcement and indemnification from the subcontractor or agent in the event of any violation of the subcontractor or agent agreement. BA shall mitigate the effects of any violation of that agreement.
- f. Availability of Information to CE: Within 15 days after the date of a written request by CE, BA shall provide any information necessary to fulfill CE's obligations to provide access to PHI under HIPAA, the HITECH Act, or the Privacy and Security Rule.
- g. Accountability of Disclosures: If BA is required by HIPAA, the HITECH Act, or the Privacy or Security Rule to document a disclosure of PHI, BA shall make that documentation. If CE is required to document a disclosure of PHI made by BA, BA shall assist CE in documenting disclosures of PHI made by BA so that CE may respond to a request for an accounting in accordance with HIPAA, the HITECH Act, and the Privacy and Security Rule. Accounting records shall include the date of the disclosure, the name and if known, the address of the recipient of the PHI, the name of the individual who is subject of the PHI, a brief description of the PHI disclosed and the purpose of the disclosure. Within 15 days of a written request by CE, BA shall make the accounting record available to CE.
- h. Amendment of PHI: Within 30 days of a written request by CE, BA shall amend PHI maintained, transmitted, created, or received by BA on behalf of CE as directed by CE when required by HIPAA, the HITECH Act or the Privacy and Security Rule, or take other measures as necessary to satisfy CE's obligations under 45 C.F.R. 164.526.
- i. Internal Practices: BA shall make its internal practices, books and records relating to the use and disclosure of CE's PHI available to CE and all appropriate federal agencies to determine CE's and BA's compliance with HIPAA, the HITECH Act and the Privacy and Security Rule.
- j. Risk Assessment: Upon agreement execution and triennially thereafter, or upon changes that occur which significantly affect the security posture of the system (whichever comes first), BA shall comply and complete CE's security assessment. Upon receipt of the security assessment, CE will review BA's responses prior to granting authority to operate, and provide any necessary instruction to ensure the confidentiality, integrity, and availability of CE's PHI. BA shall triennially, or upon changes that occur which significantly affect the security posture of the system (whichever comes first), review and update CE security assessment, as required, in order to comply with BA's current system controls. BA must provide an implementation response for each specific system control. Upon receipt of the updated assessment, CE will review the changes to the system for renewal of authority to operate.
- k. To the extent BA is to carry out one or more of CE's obligations under Subpart E of 45 C.F.R. Part 164, BA must comply with the requirements of that Subpart that apply to CE in the performance of such obligations.

- i. Audits, Inspection and Enforcement: CE may, after providing 10 days' notice to the BA, conduct an inspection of the facilities, systems, books, logs, and records of BA that relate to BA's use of CE's PHI, including inspecting logs showing the creation, modification, viewing, and deleting of PHI at BA's level. Failure by CE to inspect does not waive any rights of the CE or relieve BA of its responsibility to comply with this BAA. CE's failure to detect or failure to require remediation does not constitute acceptance of any practice or waive any rights of CE to enforce this BAA.

Notwithstanding BA's obligation to report under paragraph 4.c of this BAA, BA shall provide a monthly report to CE detailing the unauthorized, or reasonable belief of unauthorized, acquisition, access, use, or disclosure of CE's PHI, including any unauthorized creation, modification, or destruction of PHI and unauthorized login attempts. BA shall include privileged and nonprivileged accounts in its audit and report, indicating the unique individual using the privileged account. BA shall also indicate whether CE's PHI subject to unauthorized activity was encrypted or destroyed at the time of the unauthorized activity.

BA shall provide a yearly report to CE that lists the names of all individuals with technical or physical access to CE's PHI and the scope of that access.

- m. Restrictions and Confidential Communications: Within 10 business days of notice by CE of a restriction upon use or disclosure or request for confidential communications pursuant to 45 C.F.R.164.522, BA shall restrict the use or disclosure of an individual's PHI. BA may not respond directly to an individual's request to restrict the use or disclosure of PHI or to send all communication of PHI to an alternate address. BA shall refer such requests to the CE so that the CE can coordinate and prepare a timely response to the requesting individual and provide direction to the BA.
- n. Indemnification: BA shall indemnify and hold harmless CE for any civil or criminal monetary penalty or fine imposed on CE for acts or omissions in violation of HIPAA, the HITECH Act, or the Privacy or Security Rule that are committed by BA, a member of its workforce, its agent, or its subcontractor.

5. Obligations of CE. CE will be responsible for using legally appropriate safeguards to maintain and ensure the confidentiality, privacy and security of PHI transmitted to BA under the BAA until the PHI is received by BA. CE will not request BA to use or disclose PHI in any manner that would not be permissible under HIPAA, the HITECH Act or the Privacy and Security Rule if done by CE.

6. Termination.

- a. Breach: A breach of a material term of the BAA by BA that is not cured within a reasonable period of time will provide grounds for the immediate termination of the contract.
- b. Reasonable Steps to Cure: In accordance with 45 C.F.R. 164.504(e)(1)(ii), CE and BA agree that, if it knows of a pattern of activity or practice of the other party that constitutes a material breach or violation of the other party's obligation under the BAA, the nonbreaching party will take reasonable steps to get the breaching party to cure the breach or end the violation and, if the steps taken are unsuccessful, terminate the BAA if feasible, and if not feasible, report the problem to the Secretary of the U.S. Department of Health and Human Services.
- c. Effect of Termination: Upon termination of the contract, BA will, at the direction of the CE, either return or destroy all PHI received from CE or created, maintained, or transmitted on CE's

behalf by BA in any form. Unless otherwise directed, BA is prohibited from retaining any copies of PHI received from CE or created, maintained, or transmitted by BA on behalf of CE. If destruction or return of PHI is not feasible, BA must continue to extend the protections of this BAA to PHI and limit the further use and disclosure of the PHI. The obligations in this BAA shall continue until all of the PHI provided by CE to BA is either destroyed or returned to CE.

7. Amendment. The parties acknowledge that state and federal laws relating to electronic data security and privacy are evolving, and that the parties may be required to further amend this BAA to ensure compliance with applicable changes in law. Upon receipt of a notification from CE that an applicable change in law affecting this BAA has occurred, BA will promptly agree to enter into negotiations with CE to amend this BAA to ensure compliance with changes in law.
8. Ownership of PHI. For purposes of this BAA, CE owns the data that contains the PHI it transmits to BA or that BA receives, creates, maintains, or transmits on behalf of CE.
9. Litigation Assistance. Except when it would constitute a direct conflict of interest for BA, BA will make itself available to assist CE in any administrative or judicial proceeding by testifying as witness as to an alleged violation of HIPAA, the HITECH Act, the Privacy or Security Rule, or other law relating to security or privacy.
10. Regulatory References. Any reference in this BAA to federal or state law means the section that is in effect or as amended.
11. Interpretation. This BAA shall be interpreted as broadly as necessary to implement and comply with HIPAA, the HITECH Act, the Privacy and Security Rule and applicable state and federal laws. The parties agree that any ambiguity in BAA will be resolved in favor of a meaning that permits the CE to comply with and be consistent with HIPAA, the HITECH Act, and the Privacy and Security Rule. The parties further agree that where this BAA conflicts with a contemporaneously executed confidentiality agreement between the parties, this BAA controls.
12. No Private Right of Action Created. This BAA does not create any right of action or benefits for individuals whose PHI is disclosed in violation of HIPAA, the HITECH Act, the Privacy and Security Rule or other law relating to security or privacy.
13. Privacy and Security Point of Contact. All communications occurring because of this BAA shall be sent to doh.its.dso@alaska.gov in addition to the CE.
