### **Question submitted by potential offeror and answer from the state:**

**Question 1:** I have a question about submittal requirements for RFP 2025-2600-0166 - Hospitality Services for Alaska Pioneer Homes. Can you please clarify which section you would like resumes included in? The RFP submittal forms have the request in the Minimal Requirements section of Form A, but page 58 of the RFP says to include them with Form B: *Offerors must provide resumes for those personnel with names and title that will be assigned to complete the project as a separate attachment to Submittal Form B.*

**Answer:** As stated, resumes are needed under both the Minimum Requirements and in support of Form B. The resumes needed in support of minimums are for the Dietician and the site supervisors. All other resumes should be included in support of Form B.
