### **Vendor Questions:**

**Question 1:** Section 2.01 details the services to be performed. Item 1.e. indicated H125/AS350B3 Airframe Field Maintenance. Can you confirm this is for a mechanic and not a pilot? If it is for a mechanic, can a bidder propose Items a-d?

**Answer:** This is for a mechanic to work on the aircraft and not a pilot. Bidders do not have to bid on all line items in order to be considered responsive.
