Your voice matters! The Alaska Mental Health Trust Authority is inviting beneficiaries to share their experiences with the Trust's three mini-grant programs: Alzheimer's Disease and Related Dementia, Behavioral Health, or Intellectual and Developmental Disabilities.

This listening session aims to understand how the mini-grant programs are currently working for you, identify areas for improvement, and gather your ideas and suggestions for enhancing the programs.

Questions to consider:

- Which mini-grant program do you want to talk about?
- What was good about the mini-grant program?
- What was not good about the mini-grant program?
- Did you have the right amount of help to fill out the application?
- What would make the mini-grant program better?

Comments will be limited to 5 minutes, and we will accommodate as many comments as practical in the time allotted.

Written comments may be submitted by March 12th to 3745 Community Park Loop Suite 200, Anchorage AK 99508 or info@mhtrust.org. Please include "Listening session" in your subject line.
