This amendment serves to provide clarification to RFP requirements, re-opens the solicitation, and provides a new closing date.

Change 1: This amendment serves to re-open the solicitation and provides a new closing date of March 20, 2025, at 2:00 PM Alaska Time.

Change 2: If you have provided a response to the solicitation previously you must submit again: the submission can be the same proposal or new with changes but needs to be complete and meet all minimum submission requests according to the RFP due to the clarification of this RFP Amendment 2. Change 5: The State is providing clarification. Per Attachment C RFP EVALUATION PLAN, Award Selection, adding the following language: When determining offerors who are susceptible for award, the state will identify a natural break in scores after all offeror responses to the RFP are evaluated for both award categories.
