

Q&A regarding RFI 26-2025-002

On 3/13/2025 a prospective respondent to the RFI posed the following questions which were answered via email on 3/14 and are provided here as a courtesy to all prospective applicants

Question: *Understanding that the RFI is not a guarantee of procurement, can you confirm if OCS seeks responses to inform the continuation or potential replacement of the current training program administered by the Child Welfare Academy, or if this would be a separate training program offered alongside CWA's?*

Answer: This would be a potential replacement of the Child Welfare Academy

Question: *Regarding the preferred experience, can you clarify who might be considered "lead professionals?" Is this limited to the Project Director only or does it include Senior level staff working on the project?*

Answer: Lead Professionals include any staff in supervisory positions on the project including the project director and any professional trainer supervising other trainers.
