ITB TITLE: Statewide As-Needed Guardrail and Guardrail Parts

This is a **NON-MANDATORY** return Amendment.

The purpose of Amendment Two is to provide an Information statement from vendors questions:

Question: I was curious is you will be putting out another amendment for this ITB, to update the bid schedule? Or if we should just quote the Soft-stop parts in place of ET-Plus parts and consider those a substitution as per Amendment 1?

Answer: Any potential bidders will have to identify what they are bidding if different then ET-Plus. The State will then review the substitution for approval. The bid schedule will not be updated.

Question: Any chance of moving the bid date out a couple days?

Answer: Yes, I have changed the due date to April 8, 2025, at 2:00 P.M.
