An offeror's failure to submit its bid prior to the deadline will cause the bid to be disqualified. Late bids or amendments will not be opened or accepted for evaluation.

Please take into consideration that due to weather, scheduling, and location there is no overnight delivery service to Juneau, Alaska.

Electronic Submission:

If submitting a bid via email, the bid must be emailed to dotstatewideprocurement@alaska.gov as clearly labeled attachments, such as "Vendor A – bid.pdf". The email must contain the ITB number in the subject line.

The **maximum** size of a single email (including all text and attachments) that can be received by the state is **15 mb (megabytes)**. If the email containing the proposal exceeds this size, the bid must be sent in multiple emails that are each less than 15 megabytes and each email must comply with the requirements described above.

Please note that email transmission is not instantaneous. Similar to sending a hard copy bid, if you are emailing your bid, the state recommends sending it with enough time to ensure the email is delivered by the deadline for receipt of proposals.

It is the offeror's responsibility to contact the issuing agency at (907) 465-8447 to confirm that the proposal has been received. The state is not responsible for unreadable, corrupt, or missing attachments.

See ITB SECTION 3.02 BID GUARANTEE – PERFORMANCE BOND – INDIVIDUAL SURETY DEPOSIT

Failure to submit a bid guarantee in the proper form and amount, by the time set for opening of bids, will cause the State to determine the bid non-responsive and reject the bid.
