AMENDMENT ISSUING OFFICE:

Department of Transportation & Public Facilities
Statewide Contracting & Procurement
P.O. Box 112500
(3132 Channel Drive, Room 350)
Juneau, Alaska 99811-2500

THIS IS NOT AN ORDER

DATE AMENDMENT ISSUED: April 4, 2025

ITB TITLE: Statewide As-Needed Guardrail and Guardrail Parts

This is a **NON-MANDATORY** return Amendment.

The purpose of Amendment Two is to provide an Information statement from vendors questions:

Question: Would Alaska DOT & PF consider changing the freight terms on this contract to prepay & add? Currently, we'll have to bid at a price to cover freight if only a quantity 1 item is ordered. If the state decides to order 50 of that same item, they will be significantly over-paying for the product. Or perhaps a minimum order amount could be set for prepaid freight, such as \$10,000? Either of the options above should create a financial advantage to the state.

Answer: Not at this time. On the bid schedule we have quantity one listed, this is just to capture the price for evaluation purposes. If you had more than one, it would be multiplied out to capture the price.
