Questions and Answers

Question #1.

Question regarding King Salmon Sodium Chloride South Coast Region.

Would King Salmon consider taking Sodium Chloride on around 6/12/2025 in stead of earliest delivery of 07/01/2025? My barge contact will be docking in Naknek on 06/12/2025

Answer #1.

The State doesn't have money in the budget to pay for the product until next fiscal so we wouldn't be able to Accept delivery any earlier than 7/1.
