Questions and Answers:

Question #1

We are writing to confirm our understanding of the interpretation of Section 5.22 (Federally Imposed Tariffs) as it applied to the bid price. As we read this section, it appears to say that all tariffs that are in effect through bid opening date (currently 145% on product from China) represent the baseline tariff impact to the product price. As further specified in Section 5.22, only those tariffs which may be imposed after the contract award will be eligible for price adjustments. Can you please confirm that our understanding is correct?

Answer #1

Correct.

Question #2

We have a question regarding:

SECTION 3.02 BID GUARANTEE – PERFORMANCE BOND – INDIVIDUAL SURETY DEPOSIT

Bid Guarantee

Bids must be accompanied by a bid guarantee in the form of a Certified or Cashier's check in the amount of \$5,000 made payable to the State of Alaska.

Question:

If we send our Bid Response in by Electronic Submission and emailed to dotstatewideprocurement@alaska.gov as described on Page #5.....how do we or what method is there for us to comply the bid guarantee requirement described above??

Answer #2

Please see ITB Section 1.07 Return Instructions and ITB Section 3.02 Bid Guarantee. The transportation method a bid guarantees is provided to the State is a business decision to be made by the bidder.

Failure to submit a bid guarantee in the proper form and amount, by the time set for opening of bids, will cause the State to determine the bid non-responsive and reject the bid.
