Questions and answers

Question #1:

This ITB does not reference any DNR Material Sale Contracts (ADL's) or BLM Free Use Permit numbers for the material sites listed – can you please verify that this is correct?

Answer #1:

It does not, sites are identified by their DOT MS file number.

A package of the FUPs and DNR sales agreements will be posted as supplemental attachments.

Question #2:

SEC. 4.13 Award will be made to the lowest responsive and responsible bidder. To be considered responsive, bidders must bid on all items. Is the ITB intent to award to be made to a single bidder? If not will the award be made by lot or pay item?

Answer #2:

This has been corrected in this amendment. See above.
