SECTION 1. INTRODUCTION & INSTRUCTIONS

SEC. 1.01 PURPOSE OF THE ITB

The Department of Natural Resources, Division of Parks and Outdoor Recreation is soliciting bids for four 250hp outboard motors for two separate vessels located in Seward and Homer, Alaska. The successful contractor must remove the existing outboards and install the new outboards.

SEC. 1.02 BUDGET

The Department of Natural Resources, Division of Parks and Outdoor Recreation, estimates a budget of **\$140,000.00** dollars for completion of this project. Bids priced at more than **\$140,000.00** will be considered non-responsive.

Payment for the contract is subject to funds already appropriated and identified.

SEC. 1.03 DEADLINE FOR RECEIPT OF BIDS

Bids must be received no later than **2:00 PM** Alaska Time on **May 30, 2025**, at which time they will be publicly opened. Late bids or amendments will be considered non-responsive and will not be opened or accepted for evaluation.

SEC. 1.04 MINIMUM REQUIREMENTS

In order for a bid to be considered responsive the bidder must meet these minimum requirements:

- **The bidder must not have had a contract terminated for cause by the State within the last three years.**
- **The bidder must sell and service outboard motors.**

A bidder's failure to meet these minimum requirements will cause their bid to be considered non-responsive and rejected.

Bidder must check box on line 4 of attachment 5 BID SCHEDULE, certifying the bidder meets the minimum requirements.

SEC. 1.05 REQUIRED REVIEW

Bidders shall carefully review this ITB for defects and questionable or objectionable material. Comments concerning defects and questionable or objectionable material in the ITB should be made in writing and received by the Procurement Officer at least 10 days before the deadline for receipt of bids. This will allow time for an addendum to be issued if one is required. It will also help prevent the opening of a defective bid, upon which award cannot be made, and the resultant exposure of bidders' prices.

SEC. 1.06 QUESTIONS PRIOR TO DEADLINE FOR RECEIPT OF BIDS

All questions must be in writing and directed to the Procurement Officer. The interested party must confirm telephone conversations in writing. Two types of questions generally arise. One may be answered by directing the questioner to a specific section of the ITB. These questions may be answered over the telephone. Other questions may be more complex and may require a written amendment to the ITB. The Procurement Officer will make that decision.

The deadline to receive questions is **May 19, 2025**, by **2:00 PM** Alaska Time.

Procurement Officer: **TAMRA CZERNY** – PHONE 1 (907) 269-8665 –TDD/TTY: 711 (Alaska Relay); EMAIL: tamra.czerny@alaska.gov

SEC. 1.07 SITE INSPECTION

Not applicable to this ITB.

SEC. 1.08 RETURN INSTRUCTIONS

If submitting a bid via email, the bid may be emailed to tamra.czerny@alaska.gov and must contain the ITB number in the subject line of the email. The **maximum** size of a single email (including all text and attachments) that can be received by the State is **20mb (megabytes)**. If the email containing the bid exceeds this size, the bid must be sent in multiple emails that are each less than 20 megabytes, and each email must comply with the requirements described above.

Please note that email transmission is not instantaneous. Like sending a hard copy bid, if you are emailing your bid, the State recommends sending it enough ahead of time to ensure the email is delivered by the deadline for receipt of bids.

If submitting bids using U.S. mail, or delivery service, bidders must submit one hard copy of their bid, in writing, to the Procurement Officer in a sealed package. The sealed bid package must be addressed as follows:

Department of Natural Resources
Support Services Division
Attention: **TAMRA CZERNY**
Invitation to Bid (ITB) Number: 2025-1000-0347
ITB Title: 250HP OUTBOARD MOTORS
550 W 7th Avenue, Suite 1330
Anchorage, Alaska 99501

It is the bidder's responsibility to contact the issuing agency at **1 (907) 269-8665** to confirm that the bid has been received. The State is not responsible for unreadable, corrupt, or missing attachments.

SEC. 1.09 ENROLLMENT IN IRIS

Bidders will be required to be enrolled in the State of Alaska’s Integrated Resource Information System (IRIS) database prior to award of a contract resulting from this ITB. Enrollment can be done online at the following link: <https://iris-vss.alaska.gov>. Bidders who are not enrolled prior to the award of a contract will be notified by the Procurement Officer. Failure of a bidder to enroll in the IRIS database will delay the award of the contract and may delay issuance of contract work.

SEC. 1.10 ASSISTANCE TO BIDDERS WITH A DISABILITY

The State of Alaska complies with Title II of the Americans with Disabilities Act of 1990. Individuals with disabilities who may need auxiliary aids, services, and/or special modifications to submit a bid should contact the Procurement Officer no later than 10 days prior to the closing of the bid to make any necessary arrangements.

SEC. 1.11 AMENDMENTS TO BIDS

Amendments to or withdrawals of bids will only be allowed if acceptable requests are received prior to the deadline that is set for receipt of bids, in accordance with 2 AAC 12.140. No amendments or withdrawals will be accepted after the deadline unless the delay is due to an error by the contracting agency, in accordance with 2 AAC 12.160.

SEC. 1.12 ADDENDUMS TO THE ITB

If an addendum is issued before the deadline for receipt of bids, the addendum will be posted on the State of Alaska Online Public Notice (OPN) website. The link to the posting of the addendum will be provided to all who were notified of the ITB and to those who have registered with the Procurement Officer after receiving the ITB from the OPN.

SEC. 1.13 ITB SCHEDULE

The ITB schedule below represents the State of Alaska’s best estimate of the schedule that will be followed. If a component of this schedule, such as the deadline for receipt of bids, is delayed, the rest of the schedule may be shifted accordingly. All times are Alaska Time.

Upon written notice to the Contractor, the State may set a different starting date for the contract. The State will not be responsible for any work done by the Contractor, even work done in good faith, if it occurs prior to the contract start date set by the State.

SEC. 1.14 PRE-BID CONFERENCE/TELECONFERENCE

Not applicable for this ITB.

SEC. 1.15 ALTERNATE BIDS

Bidders may only submit one bid for evaluation. In accordance with 2 AAC 12.830 alternate bids (bids that offer something different than what is asked for) will be rejected.

SEC. 1.16 SUPPORTING INFORMATION

Provided a bid meets the requirements for a definite, firm, unqualified, and unconditional offer, the State reserves the right to request supplemental information from the bidder, after the bids have been opened, to ensure that the products or services offered completely meet the ITB requirements. The requirement for such supplemental information will be at the reasonable discretion of the State and may include the requirement that a bidder will provide a sample product(s) so that the State can make a first-hand examination and determination.

A bidder's failure to provide this supplemental information or the product sample(s), within the time set by the State, may cause the State to consider the offer non-responsive and reject the bid.

SEC. 1.17 FIRM, UNQUALIFIED, AND UNCONDITIONAL OFFER

To be responsive a bid must constitute a definite, firm, unqualified and unconditional offer to meet all the material terms of the ITB. Material terms are those that could affect the price, quantity, quality, or delivery. Also included as material terms are those which are clearly identified in the ITB, and which must be complied with at risk of bid rejection for non-responsiveness.

SECTION 2. SCOPE OF WORK AND CONTRACT INFORMATION

SEC. 2.01 SCOPE OF WORK

The Department of Natural Resources, Division of Parks and Outdoor Recreation, is soliciting bids for four (two pair) of outboard motors as replacements for two separate vessels. Both boats are Munson Landing Crafts, one 28 feet in length and one 30 feet in length. One boat is in Seward, Alaska and the other in Homer, Alaska. Boats can be trailered to the successful bidder for installation.

- Outboard motors must be 250HP, 25-inch lower unit outboards with one standard rotation and one counterrotating per pair and have associated tilt/trim, throttle, steering components, tachometers and stainless steel propellers for functional use.
- Outboard motors must be the same for each vessel.
- Acceptable motor brands: Yamaha, Honda, or Suzuki outboards or State approved equivalent.
- Installation includes the removal of current outboard motors, associated tilt/trim, throttle, steering components, tachometers and installation of the new outboard motors, associated tilt/trim, throttle, steering components, tachometers and propellers.

SEC. 2.02 CONTRACT TERM

The length of the contract will be from the date of the award, until completion, approximately June 30, 2025.

Unless otherwise provided in this ITB, the State and the successful bidder/contractor agree: (1) that any extension of the contract excluding any exercised renewal options, will be considered as a month-to-month extension, and all other terms and conditions shall remain in full force and effect and (2) the Procurement Officer will provide notice to the Contractor of the intent to cancel such month-to-month extension at least 30 days before the desired date of cancellation. A month-to-month extension may only be executed by the Procurement Officer via a written contract amendment.

SEC. 2.03 CONTRACT TYPE

The resulting contract will be a firm, fixed-priced contract.

SEC. 2.04 PAYMENT FOR STATE PURCHASES

No payment will be made until the contract is approved by the Commissioner of the Department of Natural Resources or the Commissioner's designee. Under no conditions will the State be liable for the payment of any interest charges associated with the cost of the contract. The State is not responsible for and will not pay federal, state or taxes. All costs associated with the contract must be stated in U.S. currency.

Payment for agreements under \$500,000.00 for the undisputed purchase of goods or services provided to a state agency will be made within 30 days of the receipt of a proper billing or the delivery of the goods or services to the location(s) specified in the agreement, whichever is later. Late payment is subject to 1.5% interest per month on the unpaid balance. Interest will not be paid if there is a dispute or if there is an agreement that establishes a lower interest rate or precludes the charging of interest.

SEC. 2.05 ELECTRONIC PAYMENTS

The State of Alaska prefers vendors to receive payment via Electronic Funds Transfer (EFT). Bidders may review information concerning the EFT process and access the Electronic Payment Agreement Form for Vendors at: <https://doa.alaska.gov/dof/vendor.html>. Method of payment is not a factor in the State's determination for award.

Any single contract payments of \$1 million or higher must be accepted by the Contractor via Electronic Funds Transfer (EFT).

SEC. 2.06 PROMPT PAYMENT FOR STATE PURCHASES

Not applicable for this ITB.

SEC. 2.07 CONTRACT ADMINISTRATION

The administration of this contract is the responsibility of the Procurement Officer or person appointed by the Department of Natural Resources, Alaska Mental Health Trust Land Office.

SEC. 2.08 CONTRACT PRICE ADJUSTMENTS

Not applicable for this ITB.

SEC. 2.09 CONTRACT PERFORMANCE LOCATION

The location(s) the work is to be performed, completed, and managed is the Contractor's place of business.

The state will not provide workspace for the Contractor. The Contractor must provide its own workspace.

By signature on their bid, the bidder certifies that all services provided under this contract by the Contractor and all subcontractors shall be performed in the United States.

If the bidder cannot certify that all work will be performed in the United States, the bidder must contact the Procurement Officer in writing to request a waiver at least 10 days prior to the deadline for receipt of bids.

The request must include a detailed description of the portion of work that will be performed outside the United States, where, by whom, and the reason the waiver is necessary.

Failure to comply with these requirements may cause the State to reject the bid as non-responsive or cancel the contract.

SEC. 2.10 THIRD-PARTY FINANCING AGREEMENTS NOT ALLOWED

Because of the additional administrative and accounting time required by the State when third party financing agreements are permitted, they will not be allowed under this contract.

SEC. 2.11 SUBCONTRACTORS

Subcontractors may be used to perform work under this contract. If a bidder intends to use subcontractors, the bidder must identify in the bids the names of the subcontractors and the portions of the work the subcontractors will perform.

Subcontractor experience shall be considered in determining whether the bidder meets the requirements set forth in **SEC. 1.04 MINIMUM REQUIREMENTS**.

If a bid with subcontractors is selected, the bidder must provide the following information concerning each prospective subcontractor within five working days from the date of the State's request:

- complete name of the subcontractor;
- complete address of the subcontractor;
- type of work the subcontractor will be performing;
- percentage of work the subcontractor will be providing;
- evidence that the subcontractor holds a valid Alaska business license; and
- a written statement signed by each proposed subcontractor that clearly verifies that the subcontractor is committed to rendering the services required by the contract.

A bidder's failure to provide this information, within the time set, may cause the State to consider their bid non-responsive and reject it.

Note that if the subcontractor will not be performing work within Alaska, they will not be required to hold an Alaska business license.

SEC. 2.12 JOINT VENTURES

Joint ventures will not be allowed.

SEC. 2.13 RIGHT TO INSPECT PLACE OF BUSINESS

At reasonable times, the State may inspect those areas of the Contractor's place of business that are related to the performance of a contract. If the State makes such an inspection, the Contractor must provide reasonable assistance.

SEC. 2.14 INSPECTION & MODIFICATION - REIMBURSEMENT FOR UNACCEPTABLE DELIVERABLES

The Contractor is responsible for providing all products or the completion of all work set out in the contract. All products or work are subject to inspection, evaluation, and approval by the State. The State may employ all reasonable means to ensure that the work is progressing and being performed in compliance with the contract. The State may instruct the Contractor to make corrections or modifications if needed in order to accomplish the contract's intent. The Contractor will not unreasonably withhold such changes.

Substantial failure of the Contractor to perform the contract may cause the State to terminate the contract. In this event, the State may require the Contractor to reimburse monies paid (based on the identified portion of unacceptable products or work received) and may seek associated damages.

SEC. 2.15 EQUIPMENT INSPECTION

Equipment offered (including for lease) may be subject to inspection and approval by the State prior to the award of the ITB. The equipment and attachments must be in good repair and capable of performing the work for which they were designed.

SEC. 2.16 NEW EQUIPMENT

Equipment offered in response to this ITB must be new equipment. New equipment means equipment that is currently in production by the manufacturer and is still the latest model, edition or version generally offered. The equipment must be warranted as new by the manufacturer and may not have been used for any purpose, other than display (not demonstration), prior to its sale to the State. The State will not accept remanufactured, used, or reconditioned equipment. It is the Contractor's responsibility to ensure that each piece of equipment delivered to the State complies with this requirement. A Contractor's failure to comply with this requirement will cause the State to seek remedies under breach of contract.

SEC. 2.17 REMANUFACTURED/RECONDITIONED EQUIPMENT

Not applicable for this ITB.

SEC. 2.18 PARTS BOOK(S) AND MAINTENANCE MANUAL(S)

Parts books and maintenance manuals must be provided at the same time that the equipment is delivered. The cost of the parts book(s) and maintenance manual(s) must be included in the bid price of the equipment.

SEC. 2.19 F.O.B. POINT

Not applicable for this ITB.

SEC. 2.20 WARRANTY

The Contractor warrants every unit purchased against faulty materials and workmanship for a minimum period of at least **one year**. If, during this period, faults develop with the unit or components of the unit, they will be repaired or replaced without any cost, including any transportation or freight cost, to the state. Bids, which include supplemental warranties, will be accepted, but supplemental warranties that conflict with or diminish the State's rights under this warranty clause will be considered null and void. The State is not responsible for identifying conflicting warranty conditions before issuing a contract award. After award of the contract:

1. if a conflict arises between the supplemental warranty and the warranty in this ITB, the warranty in the ITB will prevail; and
2. if the State's rights are diminished as a result of application of the supplemental warranty, the supplemental warranty will be considered null and void and the ITB warranty will prevail.

By signature on the face page of this ITB the bidder acknowledges this requirement and indicates unconditional acceptance of this warranty clause.

SEC. 2.21 LEMON CLAUSE

This clause applies to all equipment purchased through this contract. The application period is **one year** from the date of purchase. This clause takes precedence over any other warranty or service maintenance clauses associated with this contract.

Any equipment that fails (except for due to operator error) to operate according to the manufacturer's published performance specifications and/or is subject to recurring related problems must be replaced with the same make and model of new equipment at no cost to the state.

SEC. 2.22 DISCONTINUED ITEMS

Not applicable for this ITB.

SEC. 2.23 LIQUIDATED DAMAGES

Not applicable for this ITB.

SEC. 2.24 SHIPPING DAMAGE

Not applicable for this ITB.

SEC. 2.25 CONTRACT CHANGES – UNANTICIPATED AMENDMENTS

During the course of this contract, the Contractor may be required to perform additional work. That work will be within the general scope of the initial contract. When additional work is required, the State will provide the Contractor with a written description of the additional

work and request the Contractor to submit a firm time schedule for accomplishing the additional work and a firm price for the additional work. Cost and pricing data must be provided to justify the cost of such amendments per AS 36.30.400.

The Contractor will not commence additional work until the Procurement Officer has secured required State approvals necessary and issued a written contract amendment.

SEC. 2.26 CONTINUING OBLIGATION OF CONTRACTOR

Notwithstanding the expiration date of a contract resulting from this ITB, the Contractor is obligated to fulfill its responsibilities until warranty, guarantee, maintenance, and parts availability requirements have completely expired.

SEC. 2.27 BILLING INSTRUCTIONS

All invoices produced by the Contractor must contain the following information at a minimum:

- Contract number and title;
- Identification of the billing period;
- An itemized listing of deliverables and charges for the invoiced period;
- Total amount billed;
- Date invoice was submitted for payment;
- Entity name, contact information, and Alaska vendor number.

Invoices must be billed to the ordering agency's address shown on the individual Purchase Order, Contract Award or Delivery Order. The State will make payment after it receives the goods or services and the invoice. Questions concerning payment must be addressed to the ordering agency.

SEC. 2.28 ESTIMATED QUANTITIES

Not applicable for this ITB.

SEC. 2.29 NONDISCLOSURE AND CONFIDENTIALITY

The Contractor agrees that all confidential information shall be used only for purposes of providing the deliverables and performing the services specified herein and shall not disseminate or allow dissemination of confidential information except as provided for in this section. The Contractor shall hold as confidential and will use reasonable care (including both facility physical security and electronic security) to prevent unauthorized access by, storage, disclosure, publication, dissemination to and/or use by third parties of, the confidential information. “Reasonable care” means compliance by the Contractor with all

Confidential information, as used herein, means any data, files, software, information or materials (whether prepared by the State or its agents or advisors) in oral, electronic, tangible or intangible form and however stored, compiled or memorialized that is classified confidential as defined by State of Alaska classification and categorization guidelines provided by the State to the Contractor or a contractor agent or otherwise made available to the Contractor or a contractor agent in connection with this contract, or acquired, obtained or learned by the Contractor or a contractor agent in the performance of this contract. Examples of confidential information include, but are not limited to: technology infrastructure, architecture, financial data, trade secrets, equipment specifications, user lists, passwords, research data, and technology data (infrastructure, architecture, operating systems, security tools, IP addresses, etc.).

If confidential information is requested to be disclosed by the Contractor pursuant to a request received by a third party and such disclosure of the confidential information is required under applicable federal or state law, regulation, governmental or regulatory authority, the Contractor may disclose the confidential information after providing the State with written notice of the requested disclosure (to the extent such notice to the State is permitted by applicable law) and giving the State opportunity to review the request. If the Contractor receives no objection from the State, it may release the confidential information within 30 days. Notice of the requested disclosure of confidential information by the Contractor must be provided to the State within a reasonable time after the Contractor's receipt of notice of the requested disclosure and, upon request of the State, shall seek to obtain legal protection from the release of the confidential information.

The following information shall not be considered confidential information: information previously known to be public information when received from the other party; information freely available to the general public; information which now is or hereafter becomes publicly known by other than a breach of confidentiality hereof; or information which is disclosed by a party pursuant to subpoena or other legal process and which as a result becomes lawfully obtainable by the general public.

SEC. 2.30 INDEMNIFICATION

The Contractor shall indemnify, hold harmless, and defend the contracting agency from and against any claim of or liability for error, omission, or negligent act of the Contractor under this agreement. The Contractor shall not be required to indemnify the contracting agency for a claim of, or liability for, the independent negligence of the contracting agency. If there is a claim of, or liability for, the joint negligent error, or omission of the Contractor and the independent negligence of the contracting agency, the indemnification and hold harmless obligation shall be apportioned on a comparative fault basis.

“Contractor” and “contracting agency”, as used within this and the following article, include the employees, agents and other contractors who are directly responsible, respectively, to each. The term “independent negligence” is negligence other than in the contracting agency’s selection, administration, monitoring, or controlling of the Contractor and in approving or accepting the Contractor’s work.

SEC. 2.31 INSURANCE

Without limiting Contractor's indemnification, it is agreed that Contractor shall purchase at its own expense and maintain in force at all times during the performance of services under this agreement the following policies of insurance. Where specific limits are shown, it is understood that they shall be the minimum acceptable limits. If the Contractor's policy contains higher limits, the State shall be entitled to coverage to the extent of such higher limits.

Certificates of Insurance must be furnished to the Procurement Officer prior to beginning work and must provide a notice of cancellation, non-renewal, or material change of conditions in accordance with policy provisions. Failure to furnish satisfactory evidence of insurance or lapse of the policy is a material breach of this contract and shall be grounds for termination of the Contractor's services. All insurance policies shall comply with and be issued by insurers licensed to transact the business of insurance under AS 21.

Proof of insurance is required for the following:

16. Severability:

If any provision of the contract is declared by a court to be illegal or in conflict with any law, the validity of the remaining terms and provisions will not be affected; and the rights and obligations of the parties will be construed and enforced as if the contract did not contain the particular provision held to be invalid.
